Dear Ms. Hedges: I would appreciate your sending my letter below to the Planning Commissioners prior to the hearing February 4-5.

Commissioners:

I have been to hearings, including one in Grover Beach, and at which there were presentations by the Phillips Oil Co. and by opponents to the Nipomo Mesa Refinery request. After listening to both sides,
I wholeheartedly support the conclusion of the San Luis Obispo County Planning Commission that allowing crude oil trains at the requested number to pass through our County poses undue risk to citizens and the environment for the many reasons the opponents have given.

I hope that the proposal is turned down at your meeting next week.

Sincerely,

Judith Bernstein
