Condition 2	Development Consistent with Approved Plans

Except as otherwise required by the conditions of this permit, all development shall be substantially consistent with the site plan attached as Attachment 2, as well as with all final architectural elevations, color boards and landscape plans to be reviewed and approved by the Planning Director.

Evidence of compliance:

As presented in the construction contract documents, all development is substantially consistent with the site plan for the treatment plant (Attachment 2) from the August 12, 2009 Memo to the Planning Commission), and all development will be constructed according to the plans reviewed and approved by the Planning Director.

Architectural elevations have been approved in accordance with Condition 53/ Coastal Condition C1d and landscape plans have been approved in accordance with Condition 55/ Coastal Condition C1h.

Actual color boards will be presented to the Planning Director for approval prior to the contractor ordering materials.
