Mr. Murry Wilson
SLO County Planning Department

RE: Opposition to the P66 Rail Terminal Project

Dear Mr. Wilson

I'm writing to express my opposition to the P66 Rail Terminal Project. I am concerned that the rail traffic and the oil production and processing will contribute to poor air quality and ~~presservation~~ destruction of habitat. Most urgently, I am gravely concerned about climate change and this project is absolutely the wrong direction. PEA-01

Thank you for your consideration.

Andy Pease
