San Luis Obispo, 93408 CA

Nov 23, 2014

Dear Mr. Murry;

I am very concerned about the Mesa Refinery train carrying toxic materials through the sensitive habitat of coastal central ~~Cal~~ California. I have read of many derailings over the last several months of oil-carrying trains. I find this very concerning. I recently learned that the tracks cross more than 70 streams, each one ~~an~~ important to the ecosystem + vulnerable to pollution.

EDL-01

Thank you for your participation in these matters

Yours Respectfully,
Lawrence Edwards
601 ~~N~~ Nicklaus St.
Paso Robles, CA 94356.

EDL-01	This comment does not identify a specific environmental analysis or CEQA issue relative to the EIR and compliance with CEQA. The commenter's concerns about biological resources, hazards and environmental pollution are included in the FEIR for the decision-makers' consideration as part of the County's deliberations on the proposed project.
