To Murry Wilson, SLO County D

I am deeply opposed the oil by rail project at the Phillips 66 Santa Maria Refinary. As a resident of Isla Visa, The project~~s~~ puts countless communities at risk. There is not enough safety precautions and procedur RYG-01
in place to ease my mind. Toxic spills, accidents, and mismanagement are well documented. Please protect your people and environment by opposing this rail project. Thank You.

Sincerely,
Concerned citizen Greg Ryan
