Comment: I do not feel another quarry is needed in this area, so close to established homes. I feel it would bring down property values. This is not a case of people moving in next to an existing quarry, then bitching about it.

What concerns me most is the traffic situation. The small part of 58 that I travel has already seen much wear and tear and accidents since the increased traffic due to the solar plants. The road is too narrow and not constructed for the amount of heavy traffic anticipated.

I say NO to this quarry!
