## WHAT'S NEW THIS ELECTION

### VOTE-BY-MAIL BALLOTS

Legislation effective January 1 changed the term Absentee Ballot to Vote-by-Mail ballot to recognize that this is a choice that voters are making on how to cast their ballots that has nothing to do with being absent from the county on Election Day.

### WEBSITE TRACKING OF VOTE-BY-MAIL BALLOTS

Voters can now track their vote-by-mail status on the County Clerk-Recorder's website at [www.slocounty.ca.us/clerk](http://www.slocounty.ca.us/clerk). The voter is required to enter their voter information as it is entered in the voter registration system and if a match is found, their vote-by-mail ballot status information will be returned, including: date ballot was issued, date ballot was returned and whether the ballot has been challenged for any reason. This system will be available the week of September 29 and will be updated daily through the certification of the election.

### TIMING OF FINAL ELECTION NIGHT RESULTS

Effective January 1, 2008, the unofficial results from the precincts can no longer be sent via modem to the central computer. Because of this change all of the accuvotes must be returned to the County Government Center so the results can be uploaded directly into the computer. In the February election, the final election night results were available by 11:00 p.m. and this is the time we are targeting for completing the unofficial count on June 3<sup>rd</sup>.

**Superior Court Judges**

If only the incumbent has filed nomination papers for the office of Superior Court Judge, his or her name will not appear on the ballot unless a petition indicating that a write in campaign will be conducted is filed within 10 days after the close of nominations. No such petitions were filed for the 5 Superior Court judicial offices and therefore the incumbent judges names will not appear on the ballot.

## PLACEMENT ON THE BALLOT/ROTATION OF CANDIDATES

The order in which candidates' names appear on the ballot is determined by a random drawing of the 26 letters of the alphabet. This random drawing is conducted by the Secretary of State and the County Clerk-Recorder prior to each election. The random drawings for the November 4, 2008 election were held on August 14, 2008.

Election law also requires the names of candidates for some offices to change positions, such as federal, statewide and county wide offices (i.e. Governor, United States Senator, Secretary of State, and United States Representative). The purpose of the rotation is so one candidate's name does not always appear first, or last, on all of the ballots for the races.

As required by state law, names of candidates for certain offices are rotated on the ballot as follows:

OFFICE	ROTATION
United States Representative	Candidates' names are arranged in accordance with the alphabetical drawing beginning with the lowest numbered Assembly District in the Congressional or Board of Equalization District. Thereafter, for each succeeding Assembly District, the candidate's name appearing first is placed last; the order of the other names remains unchanged. Since San Luis Obispo County is represented by only one Assembly District, these candidates will be in the same order on every ballot in this county.
State Senate and State Assembly	For multi-county districts, such as the 33rd Assembly (San Luis Obispo and Santa Barbara) each county conducts a random drawing and the candidates' names are arranged in accordance with each county's alphabetical drawing- no other rotation.
School Districts, Special Districts and Cities	No Rotation

## VOTE –BY- MAIL BALLOT INFORMATION

**History:** Absentee ballots were first made available by the North for the soldiers and sailors in the Civil War. California first allowed absentee voting in 1920 for those who were ill or disabled, lived too far from the polls and other special circumstances. In 1978 legislation was passed which allowed universal absentee voting. As a result of this change allowing any person to vote absentee, it has become a very popular means to cast a ballot. Vote-by-mail voting has risen from 10-15% of the voters to 30% in the November 4, 1996 general election. 1998's numerous elections sent the absentee numbers soaring and in recent elections, voters who vote by mail make up 55% of those who cast ballots. In 2002, permanent absentee voting was expanded to any voter upon request. There are currently 65,000 permanent vote-by-mail voters in San Luis Obispo County, more than

43% of the total registered voters.

### **How To Apply for a Vote-by-Mail Ballot:**

The first day to apply for an vote-by-mail ballot for the Consolidated General Election is October 6, 2008 (29 days before the election). Vote-by-mail ballot requests must be received no later than October 28, 2008 in order for the ballot to be mailed to the voter. After that date the voter must appear in the Office of the County Clerk-Recorder and complete an application indicating the reason they cannot appear at the polls on Election day. Vote-by-mail ballots may be requested in one of four ways:

- ◆ By filling out the Vote by Mail Application on the back cover of the sample ballot sent to each registered voter;
- ◆ By letter to the County Clerk-Recorder, 1055 Monterey St., D120 San Luis Obispo CA 93408. The letter must state the voters name, residence address, address to which the ballot should be sent and voter's signature.
- ◆ In person at the County Clerk-Recorder's Office- in San Luis Obispo at the address above or for voters living in the North County, at our office in Atascadero- 5955 Capistrano Ave., Suite B. The office hours are 7:30-12:30; 1:00-4:00.
- ◆ By faxing a written request to the County Clerk-Recorder's Office at 781-1111.

Vote-by-mail ballots cannot be requested over the telephone as a written request from the voter is required. To be counted, the voted ballot must be mailed in time to be received by the County Clerk-Recorder's office by 8:00 p.m. on November 4, 2008 or returned by the voter personally to any polling place in the county no later than 8:00 p.m. on Election Day. It is recommended that voters do not mail ballots after the Friday prior to the election to ensure that the ballot will be received in time to be counted.

The voter may also authorize a designated family member to return the voted ballot to any polling place in the county or to the County Clerk-Recorder's Office.

### **EARLY VOTING**

The County Clerk-Recorder's Office will be open on the weekend before the election to allow for early voting. Vote-by-mail ballots are issued to voters who find they cannot be at the polls on election day. They may vote the ballot in the office at the voting booths or have a family member return the ballot for them. The hours for the early voting will be provided in a press release prior to those dates.

**PREPARING FOR THE ELECTION**  
**THE READER'S DIGEST VERSION**  
**E-120 TO ELECTION DAY**

The staff of the County Clerk-Recorder's Office begins preparation for a county wide election at least four months prior to election day and after that every day is counted as E- the number of days left. You could ask any employee in our office (and probably any candidate) how many days until the election and we won't even have to think twice to answer. Some of the important dates and the activities surrounding them are:

E minus number	Date	Activity
E-113	July 14	Opening of the nomination period.
E-88	August 8	Close of the nomination period. After the close of nomination, the ballot layout and preparation begins. Proofing of the sample ballots and ballot information continues through early September. The vote-by-mail ballots are received by the beginning of October and the sample ballot mailing is completed around the same time.
E-60	Sept 5	60 day close. This is the initial target date for ensuring that the voter rolls are as updated as possible. Any voter registration in our office by that date is processed into the system and all changes and deletes are accomplished before officially closing our files. The 60 day close file is sent to the Secretary of State and the printer who prepares and mails San Luis Obispo County sample ballots. These names constitute the first mailing of state ballot pamphlets and sample ballot pamphlets. Any changes or anyone who registers between this date and the 29 day close of registration (October 6) will be mailed the voter information in the second mailing, scheduled for mailing around October 20.
E-29	Oct. 6	The "informed voter" close of voter registration as well as the first day to issue vote-by-mail ballots. During the week of the close of registration, staff is busy processing voter registrations. These must be completed by the end of the week so new voters can be sent their sample ballots and state ballot pamphlets in a timely manner. While this is going on the voting booths and precinct supplies are being prepared for delivery to the county's 137 precincts and last minute changes to precinct worker assignments are made. During the month of October, staff is conducting training sessions for the 700+ volunteers working at the polls.
E-15	Oct. 20	Official close of registration. Anyone registered

		between October 6 and October 20 is eligible to vote however, the voter will not receive the state ballot pamphlet or the county sample ballot. The voter will receive a postcard indicating their polling place location and where they can obtain voter information.
E-7	Oct 28	Last day to mail absentee ballots to voters. After this day, a voter must appear in the office to receive a ballot. The final week before the election precinct supplies are distributed to the inspectors.
E Day	Nov. 4	Polls are open from 7:00 a.m. to 8:00 p.m.. Election day begins at 6:00 a.m. and should end around midnight for the County Clerk-Recorder staff, although final election night results should be completed by 11:00 p.m.
E+1	Nov 5	Official Canvass begins
E+28	Dec 2	Official canvass completion and election certification deadline

## **PRECINCT OFFICERS AND POLLING PLACES**

The November 4, 2008 Presidential General Election involves 137 precincts requiring 700 volunteers to staff them. In San Luis Obispo County, we rely on public buildings and churches for our polling places. Using these buildings gives more stability to the polling place locations and does not leave the voters and precinct workers susceptible to poor weather and changes to locations because of vacations or illnesses. However, the demand for use of these buildings is great and, although our local agency's, schools and churches have been very cooperative in ensuring that we have sufficient space available, some polling places may change from the last election due to scheduling conflicts. The voter's polling place location and address is listed on the back of their sample ballot and voters are encouraged to check this information before going to the polls on election day. Polling place information is also available on the Internet in conjunction with Smart Voter, a League of Women Voters sponsored website. The voter can access the site through the County Clerk-Recorder's website ([www.slocounty.ca.gov/clerk](http://www.slocounty.ca.gov/clerk)) or the smart Voter website ([www.smartvoter.org](http://www.smartvoter.org)). The voter enters their residence address and zip code and the website will display the polling place as well as the candidates and measures that will appear on the ballot.

## **SPEED OF BALLOT COUNTING ELECTION NIGHT**

As in the past, results of early vote-by-mail ballots (those received by Saturday, November 1) will be available immediately after 8:00 pm. Since modem transmission of election night results is no longer possible, precinct results will begin arriving at the county government center about 9:00 for direct upload into the ballot counting system. Results will be transported from our regional collection centers in Paso Robles, Atascadero, Morro Bay and Arroyo Grande and final election night results should be available by 11:00 p.m.

## INCOMPLETE BALLOT COUNTING ELECTION NIGHT

The public and candidates are often surprised on the day after a major election when they learn that there are as many as 15,000 ballots county wide remaining to be counted after the election. There are three categories of ballots which cannot be processed on Election Night:

1. **VOTE-BY-MAIL BALLOTS TURNED IN ELECTION DAY-** Many vote-by-mail voters wait until Election Day to make their voting choices and then drop off their ballots at a polling place on election day. We receive these ballots after the polls close on election night. All vote-by-mail ballots must be pre-processed before they are counted- including entering that the ballot has been returned to protect against double voting and verifying every voter's signature against the signature on file in our office.
2. **PROVISIONAL BALLOTS-** Provisional Ballots are voted at the polls when the precinct workers cannot determine the voter's eligibility to vote in that election. Provisional ballots are sealed in special envelopes and must be individually researched and verified at the County Clerk-Recorder's Office before the ballots are counted or rejected in accordance with election laws. There are several reasons why someone would be required to vote a provisional ballot at the polling location:
  - ◆ Voter is listed as having received a vote-by-mail ballot yet does not have the ballot to surrender at the polls.
  - ◆ Voter is voting under the fail safe provisions of the National Voting Rights Act. A fail safe voter is a registered voter in this county, who has moved and did not re-register to vote or notify the elections office of his/her change of address.
  - ◆ Voter's name is not on the roster, but the voter insists they are eligible to vote in that precinct.
  - ◆ Voter is required to show identification as a first time voter under the Help America Vote Act and cannot produce the required identification.

In each of these instances, the elections staff must verify that the voter is eligible to vote the ballot and verify the voter's signature prior to opening the ballot for processing. The number of provisional ballots continues to climb and in the February 2008 election there were 2,960 provisional ballots requiring about 400 hours of staff time to verify, open and count.

3. **DAMAGED BALLOTS:** Election Day ballots that are unable to be processed and need to be duplicated. The use of Accu-Vote greatly decreases the number of damaged ballots but they can not be processed until after Election Day.

Depending on the number, these uncounted ballots may leave some close races undecided for more than a week. The majority of the vote-by-mail ballots are counted by the Friday after the election. Some of these ballots require additional processing and their count is completed in the week following the election. The provisional and damaged ballots are normally counted just prior to certification of the results. Results are released as a count is completed and a schedule of counting dates and times will be posted on the County Clerk-Recorder website after the election.

## WRAPPING UP THE ELECTION WHAT IS THE OFFICIAL CANVASS?

The election canvass process is an internal audit required by state law to ensure the accuracy of election results. California election law allows 28 days to conduct the official canvass of final election results. The official canvass begins on Thursday, June 5 and must be concluded within 28 days, no later than December 2. San Luis Obispo County normally completes the official canvass within 17 days of the election. All aspects of the canvass are open to the public. The canvass concludes with the certification and issuance of official election results. Listed below are the major components of the official canvass.

### COMPLETION OF PROCESSING AND COUNTING OF VOTE-BY-MAIL AND PROVISIONAL BALLOTS AS DESCRIBED ABOVE.

**Process valid write-in votes-** votes for all qualified write-in candidates must be hand tallied.

### AUDIT

**Roster Reconciliation-** Following the close of the polls on Election day, precinct officers are responsible for completing the Official Ballot Statement shown below.

OFFICIAL BALLOT STATEMENT	
1. TOTAL BALLOTS RECEIVED	1. <u>400</u>
2. NUMBER OF SPOILED BALLOTS	2. <u>2</u>
3. NUMBER OF UNUSED BALLOTS	3. <u>294</u>
4. NUMBER OF PROVISIONAL BALLOTS	4. <u>10</u>
5. NUMBER OF VOTED BALLOTS (do not include AV and Provisional Ballots)	5. <u>94</u>
6. TOTAL OF 2,3,4 &5 ( MUST AGREE WITH #1)	6. <u>400</u>
7. TOTAL SIGNATURES ON ROSTER (MUST AGREE WITH #5)	7. <u>94</u>

As part of the official canvass, the signatures in each roster are re-counted and the number of signatures indicated by the inspector on the roster is compared to the number of ballots tabulated by the computer tally system. Any discrepancies are investigated. The balancing process normally takes 10 days to complete.

**1% Manual Vote Tally-** All voted ballots, including vote-by-mail ballots, from 1% of the 137 precincts, including every office and measure, are manually tallied and balanced against the computer counts to verify the accuracy of the election tally system. Additional precincts are chosen to count for those contests which are not on the ballots in the 2 randomly selected precincts. The completion of the manual tally usually takes 2-4 days, depending on the number of contests on the ballot.

**JIM FITZGERALD**

**Age: 55**

**Occupation:** UPS Account Manager

**Education and Qualifications:** I have over 30 years experience working for United Parcel Service in a variety of positions. I began my career as a package loader and then a driver. Moving into supervision, I was IT manager and credit manager; and ultimately became an account manager dealing with both national and international businesses. For the last 6 years I have been working with Central Coast business owners and managers meeting their unique needs.

My vast experience allows me to relate to people across a wide spectrum. Working with businesses, I have had to identify challenges, analyze the environment, and ultimately provide solutions. Negotiations are always approached with a win-win result for both parties. These are the skills needed in the Senate today.

I have an Associates degree from Pierce College and a Bachelor of Science degree in Information Technology from the University of Phoenix.

I live in Nipomo with my wife and children.

I am not a career politician. I have no relationship with any special interest groups. I will take a fresh attitude and independent thinking to Sacramento. It is time for a change.

STATEMENT OF CANDIDATE FOR  
MEMBER OF THE STATE ASSEMBLY  
33<sup>rd</sup> District

ROBERT EVAN CUTHBERT

Age: 52

**Education and Qualifications:** My wife Ursula and I have three daughters from our marriage of twenty-one years. After decades in the working class I graduated from Cal Poly at San Luis Obispo in 2001. I began work with non-profit agencies assisting families and at-risk youth.

As a life long civic activist, I am committed to quality education, healthcare reform, and local businesses.

Locally, an estimated one in four adults and children have no healthcare coverage, the rest of us pay outrageous premiums. I will fight, along with other legislators, to reform the current system and bring affordable healthcare to California. I reject plans that benefit the few, I will work for real reform.

Schools must be managed in the interests of families and children. I will dedicate myself to seeing that more decision-making is left to school boards. Education is an investment we cannot neglect.

We must stop giving advantage to special interests while at the same time forgetting the needs of families, the retired, and local businesses. As your assemblyman, I will assure that more tax dollars stay with local government where citizens have more control.

With my background and life experience I will be an effective and responsible representative for all. We must maintain the benefits of living on our Central Coast and keep an eye to the future. The time has come to look forward and build a secure economy for the next generation. With your vote, I will bring common sense back to government.

GAYE L. GALVAN

Occupation: Incumbent, College Trustee Board Member

**Education and Qualifications:** Community Colleges are the backbone of California's economy. They educated more students than UC and CSU combined yet receive less funding than K-12. They provide educational opportunities for all students.

I'm now in my 12th year on the Cuesta Board and ask for your vote on November 4th so that I can continue to help Cuesta meet the needs of all our students and the business community of our District.

Playhouse Nursery School, PTA & Classroom aid, SLO County Civil Service Commission, 4H Leader, SLO County Board of Education, SLO County School Boards Association, Atascadero State Hospital Advisory Board, Friday Night Live Board, Partnership for the Children Board, State Advisory Group on Juvenile Justice, Grizzly Youth Academy.

I love working with programs that make a positive difference in people's lives. Your vote for me on November 4th will give me the opportunity to continue working with our faculty, staff and administration to serve Cuesta College students and district during this critical time of economic uncertainty.

Thank you for your past support.

**BARBARA HARRIS**

**Age: 52**

**Occupation:** Appointed Incumbent, School District Governing Board Member

**Education and Qualifications:** Every child deserves a chance to succeed to the best of their abilities. To make that happen, we need a school board representing the entire community. But more importantly is my community work — local, county and state PTA, softball coach, district elementary and middle school site councils, safe schools committee, parent council and fiscal policy committee, and I worked very diligently with a team to get our school bond approved.

The bottom line is I am a mom who cares enough to get involved. My focus is on kids, and ensuring they have the tools they need to succeed. Please vote for me, Barbara Harris, Paso Robles School District Governing Board Member.

**TIM GEARHART**

**Occupation:** Retired Teacher

**Education and Qualifications:** Through our schools, we build our future. But our schools have to have the right tools to do their job. As your school board member I will promote policies which remove obstacles to student achievement. I will work in partnership with parents and teachers, and give the schools the tools they need to give the students the skills they need. This means having safe, healthy classrooms with the technology needed for modern teaching. I'm Tim Gearhart, and have worked closely with our students, teachers, and administration during the last 21 years as a master teacher. I also have a daughter in our high school. Our District has to cut about 2.7 million dollars from our budget this year. I am committed to protect our sports, music, drama and other electives from being eliminated or crippled during this budget crisis. Not all of our children are going to college as math or science majors. I favor a rich, balanced education for all of our students.

También tengo una hija en nuestra escuela secundaria. Nuestro Distrito tiene que recortar aproximadamente 2.7 millones de dólares de nuestro presupuesto este año. Estoy a favor de una educación rica, equilibrada para todos nuestros estudiantes.

**STATEMENT OF CANDIDATE FOR  
MEMBER OF CITY COUNCIL  
City of Atascadero**

**BRET HEINEMANN**  
Occupation: Educator and Writer

**Education and Qualifications:** As a part time educator and writer I have the time available to dedicate to the City of Atascadero Council and serve the community.

I have an earned bachelor's degree from CSU Fresno where I graduated in 1997 with a major in history and minor in political science.

In Atascadero it is the role of government to provide and deliver services to the community equally and in a timely manner. It is also the responsibility of the city to make sure there are adequate sources of funding and to use them wisely.

General and master plans are an important part of this, but these plans must be flexible to allow for future needs and ideas not yet thought of. Ideas and needs which will make Atascadero an even nicer place to live and work.

One of our greatest resources is our time to volunteer to serve others including taking the time to serve on the city council. Time is something we can never get back once given, and I'm looking forward to using my time to be on the council. I recognize that in so doing that I will also be a role model in the community.

I thank you for your time to read this and vote.

**STATEMENT OF CANDIDATE FOR  
MEMBER OF CITY COUNCIL  
City of Atascadero**

**ROBERTA FONZI**  
Occupation: Planning Commission Chair/Businesswoman

**Education and Qualifications:** I am a longtime resident of Atascadero; my family has lived here since the mid-1950's. I graduated from local schools, Cuesta College and Cal Poly, with Honors. I authored Atascadero's Incorporation Study, and I understand what it takes for a city to financially succeed.

Atascadero needs a new direction and a positive image. Atascadero is in financial crisis; we are living off our savings. Eventually, this will result in severe reductions in services and loss of local control.

I support an elected mayor to rebuild our public image.

I oppose the Shield Initiative and support development of the Del Rio intersection.

I promise to listen to people and take decisive action to remedy our deteriorating financial situation! I pledge to support policies where all citizens are treated as adults; I will examine all issues with fairness and an open mind.

I currently Chair the Planning Commission where I've served for nearly 10 years, and served on the Main Street Design Committee. People know and trust my judgment; I have a proven track-record.

I will strive to preserve our unique quality of life, our heritage and rural lifestyle and will never forget that I serve the public. Respectfully,

**STATEMENT OF CANDIDATE FOR  
MEMBER OF CITY COUNCIL  
City of Atascadero**

**JERRY L. CLAY SR.** **Age: 74**  
Occupation: City Councilman

**Education and Qualifications:** For 12 years I have based my Council decisions on common sense and what is best for Atascadero. You will always know where I stand.

I supported the concept of a Super Wal-Mart commercial center. The Council should have moved this project forward, in November 2007. The construction phase would be in our sights, competitive shopping, a north Atascadero grocery store, and reversing our Cities financial woes would be a reality.

Atascadero's Financial Problems are real! Reserves are being depleted at an alarming rate. If this continues the City will have to make drastic cuts.

The Shield Initiative is an awful proposal. I will vote against this Initiative. If passed it could shield our City from having financial security. Atascadero voters, defeat this measure!

I support: All City employees who contribute to our City on and off duty, The Veterans Memorial (Local Veterans are to be commended for their efforts), Letting our Citizens elect their Mayor, Main Street, the Chamber, Parks, youth / senior recreation programs, horses, 4-H and FFA projects.

The Clay family fell in love with Atascadero in 1940. I'm proud of my family's 68 years of community involvement/service and my Council voting record. Thanks for your vote!

**STATEMENT OF CANDIDATE FOR

City of Atascadero**

**LEN COLAMARINO**

**Age: 57**

**Occupation:** Lawyer/Business Principal and Consultant

**Education and Qualifications:** Atascadero became my home in January 2005, when I relocated and found the special people, ideal climate and outdoor lifestyle I want for the rest of my life. I have been troubled, however, to see Atascadero's business sector problems going unsolved and opportunities remaining unrealized.

I have the skill set to help. During 30 years of legal and business experience, I have acquired the professionalism and expertise needed to manage the complex affairs of a city of 28,000. I also bring a much-needed, enterprising approach.

I am neither a member, nor an opponent, of either of Atascadero's competing groups. My constituency is the whole community. My campaign is not about Wal-Mart. With or without Wal-Mart, my vision for Atascadero is the same. The voters' decision on the Shield Initiative will govern my handling of the Wal-Mart project on the Council.

I propose to ambitiously pursue the revival of Atascadero's retail sector, starting with the redevelopment of downtown. A business district befitting our beautiful city will improve revenues, property values, and our community. I also have ideas for upgrading business along El Camino Real. Ciudad de Atascadero**

**LEN COLAMARINO**

**Edad: 57**

**Educación y Competencia:** Atascadero se convirtió en mi hogar en enero de 2005, cuando me reubicé y encontré la gente especial, el clima ideal y el estilo de vida al aire libre que quiero para el resto de mi vida. Sin embargo, me preocupa ver que los problemas del sector comercial de Atascadero no se resuelven y que las oportunidades quedan sin realizar.

Tengo el conjunto de habilidades para ayudar. Durante 30 años de experiencia legal y comercial, he adquirido el profesionalismo y la pericia necesarios para administrar los asuntos complejos de una ciudad de 28,000. También aportó un enfoque empresarial muy necesario.

No soy ni un miembro ni un oponente de ninguno de los grupos que compiten en Atascadero. Mi distrito es toda la comunidad. Mi campaña no es acerca de Wal-Mart. Con o sin Wal-Mart, mi visión para Atascadero es la misma. La decisión de los votantes sobre la Iniciativa Escudo gobernará el manejo del proyecto Wal-Mart en el Concejo Municipal.

Propongo buscar ambiciosamente el renacimiento del sector minorista de Atascadero, comenzando con la reurbanización del centro de la ciudad. Un distrito comercial conveniente para nuestra hermosa ciudad mejorará las rentas, los valores de la propiedad, y nuestra comunidad. También tengo ideas para mejorar los negocios a lo largo de El Camino Real. **BOB KELLEY**

**Age: 63**

**Occupation:** Businessman

**Education and Qualifications:** Atascadero needs change and I'm a candidate for change. My 3 top priorities are finance, downtown revitalization and providing integrity to our city government. Our city can't operate using reserve funds for business as usual, those funds can't last forever, the budget must be balanced. The downtown streetscape program has to be put on fast track and be completed as soon as possible; this will draw businesses to our downtown. The city must provide the environment for successful business. I will bring strong leadership and my business experience to the City Council and lead us into a prosperous future.

Emergency services must be maintained at the utmost levels. City services need to become as efficient as possible and in some areas need to be streamlined.

Wal-Mart has purchased property identified as one of the best commercial sites in our city. I support Wal Mart's application as it goes through the process of an EIR and hopefully onto completion as it meets the needs and requirements of our General Plan. As a former 7 year member of the Planning Commission I was instrumental in the writing of the General Plan and fully endorse the implementation of the plan. Vote for change.

CITY OF ATASCADERO  
FULL TEXT OF MEASURE D-08

**ATASCADERO SHIELD INITIATIVE: TAXPAYERS' INITIATIVE  
ORDINANCE TO REDUCE COSTLY EFFECTS OF HIGH INTENSITY  
URBAN DEVELOPMENT BY PRESERVING ATASCADERO'S  
UNIQUE SMALL TOWN CHARACTER**

**THE PEOPLE OF THE CITY OF ATASCADERO, STATE OF  
CALIFORNIA, DO ORDAIN AS FOLLOWS**

**Section 1. Statement of Purposes and Intent.**

The purposes and intent of this measure are to:

- Guarantee the right of Atascadero's citizens to determine Atascadero's future growth and quality of life.
- Ensure the long-term economic viability of neighborhood commercial centers in the city, especially along El Camino.
- Prevent the deterioration of existing commercial areas and associated blighting and cost to the public.
- Prevent concentration of traffic and associated air quality impacts. Reduce traffic congestion and air pollution.
- Protect the rural small-town character of this unique city of the Central Coast.
- Ensure the retention of the historic Colony Landscape pattern, unique small-town rural character.
- Preserve the vitality of older neighborhoods.
- Ensure the region's welfare and prevent the adverse impacts of L.A. style urbanization.

**Section 2. Findings.**

a. Atascadero's quality of life is threatened by changes to the unique small town atmosphere from large scale commercial development that results in:

1. Deterioration of existing commercial areas and associated blighting.
2. Concentration of traffic resulting in decreased levels of service and increased air pollution.
3. Higher taxes and utility rates to subsidize growth;
4. Increased air, water, and noise pollution;
5. Crowding, congestion and increased crime; and
6. Inadequacy of services and facilities.

b. The public health, safety, and general welfare will be promoted by the adoption of this measure.

**Section 3. Definitions.**

For purposes of this measure, the following words and phrases shall have the following meanings:

- a. "Effective date" shall mean the date on which this Initiative measure was adopted by the City Council of the City of Atascadero or the date on which it was passed by the voters at the polls, whichever occurs first.
- b. "Big box commercial structure" means an individual retail commercial establishment with more than 150,000 square feet of gross floor area. The "gross floor area," of such a store includes outdoor storage areas, any outdoor area providing services, such as, but not limited to, outdoor merchandising display, garden supplies, plant display, snack bars, etc. "Gross floor area," however, does not include loading area. For the purpose of determining the applicability of the 150,000 square feet

maximum, the aggregate square footage of all adjacent stores within 300 yards which may share either a series of checkout stands, management areas, storage area, common entrances, or a controlling ownership interest, shall be considered a single commercial establishment (for example, a plant nursery associated with a general merchandise store or home improvement store, or a discount department store associated with a grocery store).

c. "Discount superstore" shall mean a retail discount store in excess of 90,000 square feet with at least 5% of gross floor area dedicated to non-taxable goods such as groceries. Wholesale clubs or other establishments selling primarily bulk merchandise and charging membership dues or otherwise restricting sales to customers paying a periodic assessment or fee shall be excluded from this definition.

**Section 4. Big Box Commercial Structures.**

Big box commercial structures shall be prohibited in all zoning districts in the city.

**Section 5. Discount Superstores.**

Discount Superstores shall be prohibited in all zoning districts within the city.

**Section 6. Required Public Actions.**

The City's General Plan and Zoning Code shall be amended in the manner required by law to conform with these provisions. To the extent that any policy or provision of this Ordinance is not self-executing, the City Council shall promptly enact such regulations and ordinances as may be necessary to carry out the directives and intent hereof. The City Council and all City agencies, boards, and commissions, are hereby directed to take any and all actions necessary to carry out this Initiative measure, including but not limited to, adoption and implementation of any amendments to the City General Plan, Zoning Ordinance, and City Code. This measure shall be implemented forthwith as a matter of the highest priority to the City.

**Section 7. Public Health Safety and Welfare.**

These provisions are minimum requirements for the promotion of the public health, safety and general welfare.

**Section 8. Guidelines.**

The City Council may adopt guidelines to implement and interpret this Initiative measure following public notice and public hearing, provided that any such guidelines shall be consistent with the provisions and intent of this measure. Any such guidelines must be adopted by two-thirds' vote of the City Council.

**Section 9. Exemptions for Certain Projects.**

This measure shall apply to all properties and projects covered by its terms, except it shall not apply to any development project which has obtained a vested right as of the effective date of this measure. For purposes of this measure, a "vested right" shall have been obtained only if each and all of the following criteria are met:

- a. The proposed project has received a building permit or its final discretionary approval;
- b. Substantial expenditures have been incurred in good faith reliance on the permit or final discretionary approval; and
- c. Substantial construction has been performed in good faith reliance on the permit or final discretionary approval.

The "substantiality" of expenditures incurred and of construction performed and the question of whether or not such expenditures and construction were in "good faith" are questions of fact to be determined on a case by case basis by the City Council following application by the developer and notice and public hearing. Actions taken by a developer to speed up or expedite a development project with knowledge of the pendency of this measure shall not be deemed to be in "good faith" and shall not qualify for vested rights. Phased projects shall be considered for exemption on a phase by phase basis to the extent permitted by California law.

#### **Section 10. Amendment and Repeal.**

This Ordinance may be amended or repealed only by a vote of the people.

#### **Section 11. Severability.**

If any section, subsection, sentence, clause, phrase, part or portion of this measure is for any reason held to be invalid or unconstitutional by a final judgment of any court of competent jurisdiction, such decision shall not affect the validity of the remaining portions of this measure. It is hereby declared that this measure and each section, subsection, sentence, clause, phrase, part or portion thereof would have been adopted or passed irrespective of the fact that any one or more sections, subsections, sentences, clauses, phrases, parts or portions be declared invalid or unconstitutional.

#### **Section 12.**

If qualified, this Initiative shall be submitted to a vote of the people at a special election.

## **IMPARTIAL ANALYSIS OF MEASURE D-08**

Pursuant to Elections Code Section 9280, the City Attorney presents here an impartial analysis of Measure D-08 (hereafter referred to as "Measure") showing the effect of the Measure on existing law and the operation of the measure.

**A "yes" vote on the Measure is a vote to prohibit big box commercial structures with over 150,000 square feet of gross floor area and discount superstores over 90,000 square feet with at least 5% of gross floor area dedicated to non-taxable goods such as groceries within the City of Atascadero.**

**A "no" vote on the Measure leaves existing zoning and general plan provisions of the City of Atascadero in place.**

#### General Plan and Zoning

A general plan is a city's basic planning document with seven mandatory elements including land use, circulation, housing, conservation, open space, noise and safety plus any optional elements selected by the city. All land use approvals must be consistent with the general plan.

Zoning is the division of a city into districts and the application of different regulations in each district. Some zoning regulations may be city-wide. Zoning ordinances may regulate structural and architectural design of buildings and designate building uses allowed within each district. A zoning ordinance is valid if it is reasonably related to the public welfare.

#### Effect of Measure on Existing Law

The Measure is consistent with the existing general plan of the City. Therefore, the Measure, if passed by the voters, would not require any amendment to the general plan. The Measure would constitute an amendment to the zoning code of the City.

#### Operation of the Measure

The operation of the Measure would impact future projects in the City by prohibiting in all zoning districts of the City any individual retail commercial establishment in excess of 150,000 square feet gross floor area. In addition, the Measure would prohibit any retail discount stores in excess of 90,000 square feet from having 5% or more of its gross floor area dedicated to non-taxable goods such as groceries. The Measure states that it shall be implemented as a matter of the highest priority of the City.

The City has received an application for a proposed 146,500± square foot Wal-Mart store at the intersection of El Camino Real and Del Rio Road. The Measure would not impact the size of the proposed store; however, the 5% limit on non-taxable goods in the Measure would impact the grocery section of the proposed Wal-Mart store. The current application proposes a 34,000± square foot grocery sales and support area. Five percent (5%) of 146,500 square feet is 7325 square feet. Therefore, if the Measure is approved by the voters, Wal-Mart would have to reduce its grocery area to less than 7325± square feet in order to proceed with the proposed store.

s/ Brian A. Pierik, City Attorney

## ARGUMENT IN FAVOR OF MEASURE D-08

The choice is clear. Do we want to develop a vibrant, walkable CITY CENTER, OR a massive Superstore complex on the edge of town? Do we want diverse, sustainable economic retail GROWTH to shore up much needed tax base OR a Superstore that shifts sales tax revenue from others with minimal financial gains to the City? This decision forever defines the development and character of Atascadero. Make no mistake, a superstore will change our City's SHOPPING PATTERNS and prevent the realization of an economically viable downtown. All large cities on the Central Coast and County have adopted similar ordinances banning Superstores to ensure their economic survival.

VOTE YES FOR SUSTAINABLE ECONOMIC GROWTH and TO BAN SUPERSTORES

WHY IS MEASURE D-08 NEEDED?

SUPERSTORES have BIG NEGATIVE IMPACTS:

ECONOMIC:

- Superstores drain revenue from locally-owned businesses
- Superstores decimate plazas with Grocery-based anchor tenants such as Spencer's, Food For Less and K-Mart plazas
- Higher demand of city services raises citizen tax burden
- Property Values of homes near Superstores decline
- Tourism suffers if city loses its unique character

VALUES: Quality of life is threatened by...

- Loss of downtown as community and social center
- Superstore paves the way to sprawling L.A. style urbanization
- Traffic congestion, air, light and noise pollution 24/7

ASK YOURSELF:

- Why does Atascadero boast the greatest population gain in the Central Coast for 2007?
- What attraction does Atascadero hold for you?
- Which would attract future tourist dollars: a Superstore or a vibrant downtown center?

MEASURE D-08 DOES NOT PREVENT A GROCERY STORE being built anywhere in the city.

SUMMARY: This Measure reinforces Atascadero's General Plan, ensuring the vitality of the City's downtown and its future economic growth and safeguarding the region's economic welfare. Visit website: [www.atascaderoshield.com](http://www.atascaderoshield.com)

## ARGUMENT AGAINST MEASURE D-08

ATASCADERO IS FACING TOUGH FINANCIAL TIMES. As the city struggles to pay for vital services like police and fire protection, this ill-conceived measure would deprive Atascadero of new tax revenue while limiting choices for consumers, including those on tight budgets.

Measure D-08 is a terrible idea and sets a bad precedent.

It effectively limits consumer choice in Atascadero.

It is unfairly written so it only applies to superstores like Wal-Mart Supercenters, but not to other large-scale retailers like Costco or Lowe's.

Finally, Measure D-08 would cost the city hundreds of thousands of dollars in lost revenue.

More than ever, Atascadero should be encouraging investment in the city and supporting efforts to create new jobs and expand consumer choices.

MEASURE D-08 HURTS CONSUMERS AND ATASCADERO

- Local laws should not force consumers to shop in neighboring towns for their everyday goods. Not everyone can afford to shop at stores with high prices.
- Busy families and working parents CHOOSE to shop in stores offering one-stop shopping to save money and time.

Atascadero's tax base is shrinking and sales tax revenue has dropped.

And according to the City Council Staff Report, Atascadero is projected to be running a deficit within five years. This would result in cutbacks to vital city services including roads, police and fire protection.

ATASCADERO NEEDS NEW TAX REVENUE TO IMPROVE LOCAL FINANCES

This attempt to limit consumer choice will hurt Atascadero's ability to create jobs and bring in new tax revenue.

Measure D-08 would prevent superstores from opening in Atascadero, meaning the city would lose hundreds of thousands of dollars in new tax revenue.

City laws should not discriminate against a specific business and should not tell working families where they have to buy their groceries and other everyday needs.

## REBUTTAL TO ARGUMENT IN FAVOR OF MEASURE D-08

### VOTE NO ON MEASURE D-08

IT'S BAD FOR CONSUMERS AND BAD FOR ATASCADERO

#### Measure D-08 isn't about saving downtown or economic growth.

It's about limiting consumer choice. And it comes at a time when Atascadero is struggling to pay for vital services like roads, police and fire protection. Measure D-08 would eliminate the possibility of hundreds of thousands of dollars in tax revenue.

#### ATASCADERO FACES REAL FINANCIAL PROBLEMS

- Our tax base is shrinking
- Sales tax revenue has dropped
- Our current expenses are greater than our revenue
- Cuts to vital services and city jobs are anticipated with the current economic slow down

#### Measure D-08 takes away your right to choose where to shop.

Measure D-08 hurts working families who depend on low prices. In these difficult economic times with gas approaching \$5 a gallon and rising food prices, not everyone can afford to shop out of town for everyday items or at stores with higher prices.

Measure D-08 is discriminatory. It only applies to stores like Wal-Mart Supercenters and Super Targets, not other large retailers like Costco or Lowe's.

It's simple, Measure D-08:

- LIMITS consumer choice
- HURTS Atascadero's ability to encourage investment and create new jobs
- DISCRIMINATES against certain businesses in Atascadero
- ELIMINATES hundreds of thousands of dollars in possible tax revenue
- IS BAD FOR DOWNTOWN

VOTE NO ON MEASURE D-08 TO ENSURE THE VITALITY OF OUR CITY

## REBUTTAL TO ARGUMENT AGAINST MEASURE D-08

Measure D-08 grew out of a groundswell of community support for downtown development and in opposition to superstores.

Superstores will compete with our developing downtown, decrease shopping choice and merely shift sales tax revenue, draining city services.

Superstores increase two things, traffic and crime. Taxpayers will have to pick up the cost of infrastructure and every police and emergency response to the superstore.

Measure D-08 is a conservative ordinance allowing membership clubs like Costco or Sam's Club which generate less traffic than superstores and are not open 24/7.

Measure D-08 Protects **CHOICE**:

- Diversity in shopping
- Established plazas with grocery store anchors
- Head of household jobs

Measure D-08 Protects **SALES TAX REVENUE**:

Superstores do not bring added revenue, but are a form of economic displacement--studies show that 80% or more of superstore sales are "transferred sales" from existing merchants.

#### SUMMARY:

Measure D-08 welcomes new business to Atascadero, encourages greater competition and more consumer choice by not allowing superstores to become the only place to buy certain kinds of goods. Once competitors close, superstore prices increase. All large cities on the Central Coast and the county itself ban superstores.

Size caps facilitate a market composed of small and mid-sized stores. Banning superstores allows Downtown investment. **They don't sell small town quality of life on any shelf at superstores, but once they take it from us, we can't buy it back at any price.**

**STATEMENT OF CANDIDATE FOR

City of Grover Beach**

**LIZ DOUKAS**

**Age: 49**

**Occupation:** Court Reporter

**Education and Qualifications:** For 16 years I've been a self-employed Certified Shorthand and Registered Professional Court Reporter at both the State and Federal levels. I have extensive background in reporting the record in legal matters, including specialized public agency hearings. I was previously employed for many years by Pacific Bell in various office positions in payroll as well as a management-level assistant.

My personal involvement in our local community and attendance at many City Council and related meetings has all been geared towards seeing that Grover Beach can be the best city possible. Grover Beach has a great structure from which to build upon, but desperately needs a strong foundation in place to support the needs of our residents and for local businesses to flourish.

My goals are simple: Fiscal responsibility, a strong infrastructure and strong public safety, openness and accountability in government, but most importantly is my intent to at all times listen to our citizens and what they want for our community.

Your vote for me will guarantee your voice will be heard. I want more than anything to be your spokesperson on the City Council.

Ciudad de Grover Beach**

**LIZ DOUKAS**

**Edad: 49**

**Ocupación:** Reportera de la Corte

**Educación y Competencia:** Por 16 años he sido una Taquígrafa Certificada y Reportera Profesional Certificada de la Corte por cuenta propia a nivel Estatal y Federal. Poseo amplios antecedentes en informes de registro en asuntos legales, incluyendo audiencias especializadas de agencias públicas. Anteriormente fui empleada por muchos años de Pacific Bell en diversos cargos de oficina en la nómina y como asistente a nivel administrativo.

Mi participación personal en nuestra comunidad local y asistencia a muchas reuniones del Concejo Municipal y afines me han preparado para ver que Grover Beach puede ser la mejor de las ciudades. Grover Beach posee una gran estructura de donde se puede continuar edificando, pero necesita urgentemente sólidos cimientos para soportar las necesidades de nuestros residentes y para que los negocios locales prosperen.

Mis metas son simples: Responsabilidad fiscal, una sólida infraestructura y fuerte seguridad pública, apertura y rendición de cuentas del gobierno, pero fundamentalmente mi intención es escuchar en todo momento a nuestros ciudadanos y lo que desean para nuestra comunidad.

Su voto por mí garantizará que su voz sea escuchada. Deseo más que nada ser su vocera en el Concejo Municipal.

**KAREN BRIGHT**

**Occupation:** Buyer

**Education and Qualifications:** After serving three terms as a Planning Commissioner, I was appointed to the Grover Beach City Council on 5/7/07. Through this service, I believe my ability to be an effective City leader has been demonstrated.

I'm proud of our City and what we've accomplished. However, there is much more to do. We must continue to improve our streets and infrastructure. It's imperative we support our local businesses and boost our economic vitality, now more than ever. Pedestrian safety is crucial and of the highest priority. I have great concern for the lack of housing for senior citizens in our City.

My 22 years experience working in a public school district has provided me with a foundation for sound decision making and good judgment. I take my fiduciary responsibility seriously and with your support I will continue to represent the interests of Grover Beach residents and businesses ethically, fairly and with an open mind.

**STATEMENT OF CANDIDATE FOR  
MAYOR  
City of Morro Bay**

**GEORGE LEAGE**

**Occupation:** Morro Bay Businessman

**Education and Qualifications:** My roots are deep in our community. I've been blessed to raise my children and grandchildren in this special place. I'm also a businessman with real world experience in Morro Bay for over 50 years.

I am not a career politician. Don't expect sugar coating from me. I just can't sit on the sidelines and watch our town be further weakened by poor decisions and misplaced priorities.

Our city is also \$24 million dollar a year business. As a practical businessman I am responsible to my customers, my employees, my suppliers, government, and others. I know how to listen. I know responsibility. I know how to prioritize. And I also know how to enlist the help of professionals and others. I will bring these abilities to the office of mayor.

My family loves our natural surroundings. We've fished, surfed, hiked and explored this area for decades and still do. I will protect that heritage.

My dream is that my kids and grandkids will be able to live in a family friendly town with a strong economy and a healthy environment.

I want the same for you and your children, too.

Your vote would honor me.

**STATEMENT OF CANDIDATE FOR  
MAYOR  
City of Morro Bay**

**JANICE PETERS**

**Occupation:** Mayor, City of Morro Bay

**Education and Qualifications:** Serving as your Mayor is a fulltime job. It requires experience and knowledge of city procedures, dedication, integrity, patience, diplomacy, research, networking, and making difficult decisions. It means putting personal opinion aside, and listening to you in order to make decisions that are beneficial for our entire community.

As your Mayor, I have seen our city through the combined effects of an earthquake, energy crisis, fishing restrictions, and business closures, which decreased our revenue significantly. In response to this financial "perfect storm," we have reduced expenditures, temporarily suspended cost of living raises for city staff, and increased promotion of our visitor attractions. Happily, our annual revenue is improving, but there is more work to do.

As your Mayor, I am actively involved in implementing methods to attract new businesses, create new events, and improve the efficiency of city operations so we can retain and attract excellent staff. I serve on County boards, and maintain relationships with other mayors and our State and federal representatives.

As your Mayor, I am honored by the trust you place in me. With your vote I will continue to earn that trust in my service to you and our city for the next two years.

**DECLARACIÓN DE LA CANDIDATA A  
ALCALDE  
Ciudad de Morro Bay**

**JANICE PETERS**

**Ocupación:** Alcaldesa, Ciudad de Morro Bay

**Educación y Competencia:** Prestar servicio como su Alcaldesa es un trabajo a tiempo completo. Requiere experiencia y conocimiento de los procesos municipales, dedicación, integridad, paciencia, diplomacia, investigación, trabajo en red, y tomar decisiones difíciles. Implica dejar de lado la opinión personal, y escucharlo a usted para tomar decisiones beneficiosas para toda nuestra comunidad.

Como su Alcaldesa, he visto a nuestra ciudad atravesar el efecto combinado de un terremoto, crisis energética, restricciones de pesca, y cierre de negocios, lo que redujo nuestras rentas significativamente. En respuesta a esta "perfecta tormenta," redujimos gastos, suspendimos temporalmente aumentos en el costo de vida para el personal de la ciudad, y aumentamos la promoción de atracciones para nuestros visitantes. Afortunadamente, nuestra renta anual está mejorando, pero queda más trabajo por hacer.

Como su Alcaldesa, participo activamente en la implementación de métodos para atraer nuevos negocios, crear nuevos eventos, y mejorar la eficacia de las operaciones de la ciudad para retener y atraer personal de excelencia. Presto servicio en juntas del Condado, y estoy relacionada con otros alcaldes y nuestros representantes Estatales y federales.

Como su Alcalde, me siento honrada por la confianza que usted depositó en mí. Con su voto continuaré recibiendo esa confianza en mi prestación de servicio para usted y nuestra ciudad durante los próximos dos años.

Me postulo para el Concejo Municipal porque amo el carácter de ciudad pequeña y la belleza natural de Morro Bay, y me gustaría ayudar a liderar a la comunidad hacia un futuro próspero.

STATEMENT OF CANDIDATE FOR  
Member of City Council  
City of El Paso de Robles

NICK GILMAN  
Occupation: Architect

Age: 68

**Education and Qualifications:** As a practicing architect, I have aided growth and development in Paso Robles since 1972. I also have actively participated in civic affairs in an effort to guide the city's development. I served on the Planning Commission for nine years, twice as a chairman. I followed this by chairing the Project Area Committee of the Redevelopment Plan, serving for fourteen years.

I have observed that the past rapid growth of Paso Robles has been a mixed blessing. Relative prosperity has also included increasing traffic congestion, expensive housing and very expensive water and sewage issues. The down turn in our economy will force very difficult compromises on the community. Prudent, fiscally conservative leadership is needed for Paso Robles.

I have addressed many of these concerns as a member of the Planning Commission and on the Project Area Committee. My long experience and active professional involvement would be an asset to the Community.

I appreciate your consideration of my candidacy for Paso Robles City Council.

**STATEMENT OF CANDIDATE FOR  
MEMBER OF CITY COUNCIL  
City of Pismo Beach**

**ED WAAGE**

**Occupation:** Planning Commission Vice Chair

**Education and Qualifications:** My four years of experience on the Pismo Beach Planning Commission help me to understand the need for balanced approaches to land use. I believe in preserving the small town character of the City, while supporting necessary improvements. By doing so, we will improve our quality of life. Also, during these uncertain times, careful management of the City's finances and resources is critical. Important issues include:

Responsible use of Measure C Sales Tax Revenue, Downtown Revitalization, Shell Beach Road Improvement, Pismo Heights Fire Safety, Improved Coastal Access, Long-term Financial Stability.

I earned my doctorate degree in Chemistry and I retired after enjoying two careers: one as an emergency preparedness professional and the other as a university professor. I shared the 2005 Nobel Peace Prize while working in Vienna, Austria for the United Nations IAEA. My wife, Jeannie Nix, and I are proud to call Pismo Beach our home.

My community service includes: past Treasurer of the San Luis Obispo County Fire Safe Council; Secretary of the San Luis Obispo Emergency Communications Council; American Red Cross volunteer; and Precinct Captain during past elections.

Given my experience and a willingness to serve the citizens of this city, I would appreciate your vote.

**WAYNE KING**

**Occupation:** Retired Inventor

**Education and Qualifications:** I have enjoyed living in Pismo Beach for over 30 Years;

Often times I remind friends; neighbors and new arrivals in Pismo beach: That if we could live anywhere in the world; everything being equal 9 chances out 10 it would be here in Pismo or Shell Beach.

I have watched Pismo grow up; I have enjoyed the fog; the beach and the well designed additions within this great community.

Often, I will remind folks of Pismo History of WW11 and how Pismo welcomed and rewarded the Military personal that traveled highway 1; Their struggle with auto gas rationing; bald tires and the all day trip from either L.A. or San Francisco.

Pismo accommodated these freedom fighters with affordable rooms referred to as Motel. (short for Motor Hotel).

Today our thriving vacation community remains a prime location for our friends from the valley; their enjoyment of our cool; yet warm climate.

Our Clams; well not as prevalent as years past remain a fantastic memory for all are welcome visitors; The permanent residents; They Vote and if the good Lords willing they will install me in the city council to help manage their invested life.

MEMBER OF CITY COUNCIL  
City of Pismo Beach**

**TED EHRLING**

**Age: 78**

**Occupation:** Incumbent Pismo Beach City Councilperson, Geologist, General Contractor, and past City of Pismo Beach Planning Commissioner

**Education and Qualifications:** I have been a member of the Pismo Beach Community for almost 25 years, and have served on the City Council for the last two years. Together, the present Council has accomplished much during my tenure, including: improving city revenue and physical infrastructure, continued city parks development and generating a plan to maintain our "small beach town" character. I remain committed to the preservation of our city's beauty and am fully committed to the growing needs of our citizens and visitors. These needs are not mutually exclusive, but require uninterrupted leadership and sound long-term planning.

While serving on the Council, I have represented our citizens on the following committees: Mobile Home Rent Stabilization, Leadership Council to Stop Homelessness, Integrated Waste Management Authority, Lake Lopez Water Advisory, Ocean Water Quality Control, Ventana Fire Complex Development, and the California Coastal Coalition Board.

**STATEMENT OF CANDIDATE FOR  
MAYOR  
City of San Luis Obispo**

**DAVE ROMERO**  
Occupation: Mayor

**Education and Qualifications:** I have served 36 years as Public Works Director, eight as Councilman and six as Mayor, devoting 50 years to protecting and enhancing our city. For years, I've worked closely with officials from nearby cities (as Mayor and as League of Cities Division President), with our Supervisors, Cal Poly, Cuesta, CMC, and our state and federal legislators. I am known for common sense and honesty, always making my decisions with the betterment of San Luis Obispo uppermost in my heart.

With my extensive background and reputation, I have unmatched qualifications to continue serving as Mayor. During my Mayor's terms, our city made major progress in addressing housing needs, obtaining a reliable long-term water supply, revitalizing downtown, improving bike and transit facilities, and protecting and improving neighborhoods.

Being retired, I can devote full-time to following through with these issues while pursuing downtown parking solutions, acquisition of open space, improved Senior Center Facilities, development of a skateboard park, and an aggressive program to improve our streets and to relieve traffic congestion.

I have dedicated my life to public service, and would feel honored to continue serving and guiding San Luis Obispo toward an even brighter future.

**STATEMENT OF CANDIDATE FOR  
MAYOR  
City of San Luis Obispo**

**TERRY MOHAN**  
Occupation: Truck Driver

**Age: 54**

**Education and Qualifications:** Several years of community activism concerned with neighborhood protection and moderate growth for the City of San Luis Obispo.

I've entered the race for Mayor of the City of San Luis Obispo because I disagree with the current administration's lack of commitment in maintaining the character and uniqueness of our city. Special interests appear to have preference in influencing the city's agenda.

The position of Mayor of San Luis Obispo does not require any special qualifications except to represent the best interests of the people and use sound judgment to achieve that end. I have demonstrated that no special degrees are needed, and are sometimes detrimental, to understanding and explaining items prepared by our city staff.

Attempting to qualify the Water Rate initiative I felt there has been too little public input in many of the city's decisions in the past several years. Openness and discussion will be a hallmark of my time as your Mayor.

As your Mayor you can count on my attention to your requests for safer neighborhoods, more affordable workforce housing, innovative solutions for our city's future, and attracting businesses that will pay head of household wages.

**DECLARACIÓN DEL CANDIDATO A  
ALCALDE  
Ciudad de San Luis Obispo**

**TERRY MOHAN**  
Ocupación: Camionero

**Edad: 54**

**Educación y Competencia:** Varios años como activista comunitario preocupado por la protección del vecindario y el crecimiento moderado de la Ciudad de San Luis Obispo.

Participo de la contienda para Alcalde de la Ciudad de San Luis Obispo porque no estoy de acuerdo con la falta de compromiso de la administración actual en cuanto a mantener el carácter y la singularidad de nuestra ciudad. Los intereses especiales parecen tener preferencia influenciando la agenda de la ciudad.

La posición de Alcalde de San Luis Obispo no requiere de ninguna competencia salvo la de representar los mejores intereses de la gente y utilizar un juicio firme para lograr dicho fin. He demostrado que no se necesitan títulos especiales, y en ocasiones resultan perjudiciales, para entender y explicar los artículos preparados por el personal de nuestra ciudad.

En el intento por calificar la iniciativa de la Tarifa del Suministro de Agua sentí que hubo muy poca participación pública en muchas de las decisiones de la ciudad durante los últimos años. La apertura y el diálogo serán un sello distintivo en mi tiempo como su Alcalde.

Como su Alcalde puede contar con mi atención a sus solicitudes de vecindarios más seguros, viviendas más asequibles para la fuerza laboral, soluciones innovadoras para el futuro de nuestra ciudad, y atracción de negocios que brinden un salario para las cabezas de hogar.

**Education and Qualifications:** My goal is restore Laguna Lake.

With your support, I am running for City Council with a goal to restore our Laguna Lake. I have a plan that will be very cost effective. The City of San Luis Obispo will be able to do the restoration project with local funds. I intend to give this project my full time attention. I will work to help the people of San Luis Obispo get acquainted with this worthy project. Throughout the years, Laguna Lake has become a silt filled, odorous pond. When Laguna Lake is restored, it will become be a natural respite for our citizens to enjoy, an enhanced natural reserve, and bring greater water conservation to the area. But here is the catch, we need to petition Governor Arnold Schwarzenegger to cut the red tape and give us the green light to do a good deed for our community.

Join me in this worthy cause and I appreciate your vote for me, Arnold Ruiz, on November 4, 2008.

**STATEMENT OF CANDIDATE FOR  
MEMBER OF CITY COUNCIL  
City of San Luis Obispo**

**JAN MARX**

**Occupation:** Former San Luis Obispo City Councilmember, Businesswoman, Attorney and Mediator

**Education and Qualifications:** I'm a 20-year resident, married, with two children and four grandchildren. A graduate of Stanford and Santa Clara Law School, I served on Council 1998-2002 and earlier on the Planning Commission. I've been a leader in environmental, neighborhood, anti-domestic violence and humanitarian volunteer organizations. I have owned my business since 1993. I will gladly put my experience, business savvy and land use expertise to work for San Luis Obispo.

Many residents are concerned that our precious natural, historical and financial resources have been diminished by Council decisions and fear losing our unique small town atmosphere. Outdated "pave and sprawl" policies increase climate disruption, and also turn San Luis Obispo into "anyplace USA." Through listening to residents, implementing environmentally responsible policies and requiring fiscal accountability, I will help turn San Luis Obispo around.

My priorities include encouraging economic vitality and a strong downtown, protecting our hillsides, neighborhoods and city parks, building a new senior center, making San Luis Obispo more bike and pedestrian friendly, improving public safety, transportation and streets, and consulting with residents to plan a healthy community through the Land Use and Circulation Element Update.

I will be your voice on Council. Let's work together towards a sustainable, prosperous future. (Visit <http://janmarx.com>, email [jan@janmarx.com](mailto:jan@janmarx.com) or call (805)541-2716)

City of San Luis Obispo**

**JOHN B. ASHBAUGH**

**Occupation:** Educator, City Planner

**Education and Qualifications:** Patricia and I arrived in San Luis Obispo in 1977. We launched our careers, built our home, and raised our family here. For fourteen years I owned an environmental consulting firm downtown, serving mostly public agencies (including the City) on several projects. I was the founding director of the SLO Land Conservancy.

My current profession is teaching: I substitute in local secondary schools and teach U.S. and California history part-time at Hancock College. I've also taught at Cal Poly in the History and City Planning Departments, and hold degrees in city planning, landscape architecture, and education.

I've served over four years on the Planning Commission, where I am now Vice-Chair. I've been a volunteer and leader in many local organizations, including the SLO County Water Resources Advisory Committee, Sierra Club, Transitions, Bishops Peak PTA, SLO High School 24-Hour Relay Committee, California Conservation Corps Advisory Council, and SLO Morning Kiwanis.

I want a San Luis Obispo that continues to welcome and delight families, young people, retirees, businesses, workers, shoppers, and visitors. I'm very concerned about the future we face, but I am confident that together, we can shape that future to a common vision of sustainable growth, renewable energy, and a diverse community.

MEMBER OF CITY COUNCIL  
City of San Luis Obispo**

**PAUL BROWN**

**Age: 40**

**Occupation:** Current Councilman/Restaurant Owner

**Education and Qualifications:** I believe San Luis Obispo is the best place on earth. Anyone who doesn't believe that shouldn't ask for your vote.

This city is home to diverse people with varied opinions about how our city should function today and in the future. The next few years will determine San Luis Obispo's identity. We can't stick our heads in the sand and hope everything will be grand when we re-emerge. Complacency and ignorance is never bliss when it comes to quality of life. We need leaders who understand the many sides of an issue and can create realistic solutions. We need leadership with a common-sense approach. We need effective management.

Effective management means listening to everyone and deciding what's best for the common good—even if it means that someone gets upset. It means being a leader instead of just talking like one.

My last four years as a councilman have proven my commitment to the job and my varied experiences as a business owner, community volunteer, and as a U.S. ARMY Military Police Sergeant who worked with at-risk youth has given me the ability to hear all opinions and make quality decisions.

Vote for me because I get things done.

MIEMBRO DEL CONCEJO MUNICIPAL  
Ciudad de San Luis Obispo**

**PAUL BROWN**

**Edad: 40**

**Ocupación:** Actual Concejal/Dueño de Restaurante

**Educación y Competencia:** Creo que San Luis Obispo es el mejor lugar sobre la Tierra. Quien no lo crea así no debería pedirle su voto.

Esta ciudad es el hogar de diversa gente con variadas opiniones acerca de cómo debería funcionar nuestra ciudad hoy y en el futuro. Los próximos años determinarán la identidad de San Luis Obispo. No podemos ocultar nuestras cabezas en la arena y esperar que todo sea grandioso cuando resurjamos. La felicidad no radica en la complacencia y la ignorancia cuando se trata de la calidad de vida. Necesitamos líderes que entiendan los distintos aspectos del asunto y puedan crear soluciones realistas. Necesitamos liderazgo con un enfoque de sentido común. Necesitamos administración efectiva.

La administración efectiva implica escuchar a todos y decidir lo que es mejor para el bien común—incluso si alguien se molesta. Implica ser un líder en lugar de hablar como uno.

Mis últimos cuatro años como concejal han demostrado mi compromiso con el trabajo y mi variada experiencia como dueño de negocio, voluntario comunitario, y Sargento de Policía Militar del Ejército de los EE.UU. que trabajó con jóvenes en riesgo me otorgó la capacidad de escuchar todas las opiniones y tomar decisiones de calidad.

Vote por mí debido a que produzco resultados.

## IMPARTIAL ANALYSIS OF MEASURE E-08

If Measure E-08 is approved, the following technical, non-substantive amendments will be made to the Charter of the City of San Luis Obispo that reflect changes in Federal and State law affecting City operations, delete obsolete references, or provide clarity regarding current administrative practices:

- A. Section 201 amended to replace term "City Administrative Officer" with "City Manager," which is more descriptive of this position's duties under the City Charter based on prevailing practice in the State. In addition, all other references to "City Administrative Officer" in the Charter (Sections 109, 204, 407, 701, 702, 703, 704, 705, 707, 709, 712, 802, 803, 810, 901, 1006, and 1101) will be replaced with "City Manager" consistent with this change.
- B. Section 407 amended to delete obsolete references to duties of Mayor that are currently already provided for in City Council Policies and Procedures, the Municipal Code, and State law.
- C. Section 410 amended to provide that any adjustments in Mayor and Council compensation are effective the first full pay period in January – rather than on January 1st – of the following year, in accordance with current practice.
- D. Section 505 amended to acknowledge that Mayor or Council member may not vote when there is a conflict of interest.
- E. Section 601 amended to clarify when ordinances shall be codified in the Municipal Code.
- F. Section 701 amended to clarify that the Mayor and City Council only appoint the City Manager and City Attorney. Consistent with current practice and past actions of City Council, the positions of City Treasurer and City Clerk are appointed by the City Manager.
- G. Section 709 amended to delete obsolete references and reflect current use of designation of Human Resources Department.
- H. Section 901 amended to delete obsolete references and reflect current practice as set forth in Municipal Code governing reimbursement of developers and subdividers for oversizing of facilities.
- I. Section 905 amended to acknowledge that Federal law may govern over certain City public contracting payment practices.
- J. Section 906 amended to delete obsolete references and reflect current practices relating to sale or lease of City property.
- K. Section 1001 amended to authorize establishment of fees or charges for granting of licenses or franchises involving public facilities.
- L. Section 1006 amended to correct typographical error.
- M. Section 1202 amended to reflect that residency and voter requirements may not be appropriate in filling some appointed advisory body positions.
- N. Section 1205 amended to delete obsolete reference and reflect current practice relating to annual reports.

If Measure E-08 is not approved, the various amendments to the Charter, as described above, will not occur.

s/ Jonathan Lowell  
City Attorney, City of San Luis Obispo

## ARGUMENT IN FAVOR OF MEASURE E-08

Measure E-08 is a clean-up measure. It involves only non-controversial matters. It will provide tools for the City Council and City staff to better serve the community. The measure combines these minor, non-substantive revisions into a single ballot question.

A committee of City staff members has conducted a review of the current City Charter and presented its findings to the City Council. The committee finds that our Charter contains certain outdated language which can be easily modified to provide for greater clarity. These changes can only be made by a majority vote of the electors, and so the City Council has placed this measure on the ballot.

A unanimous City Council of the City of San Luis Obispo recommends a "yes" vote on Measure E-08.

**STATEMENT OF CANDIDATE FOR  
COMMISSIONER  
Port San Luis Harbor District**

**CAROLYN MOFFATT** Age: 66  
Occupation: Commissioner, Port San Luis Harbor District

**Education and Qualifications:** As an effective commissioner for 20 years, I have provided consistent leadership in planning for the long-term needs of the public at Port San Luis, assuring open, responsive decision making, promoting transparent financial accountability and requiring activities be accomplished within highest environmental standards.

I support: Clean, safe beaches serving thousands of local residents and supporting the local economy;

Enhanced coastal access opportunities, marine related recreation, historic restoration of the PSL Lighthouse and Harford Pier, species enhancement and public safety through coordination with non-profit organizations to develop programs fully utilizing District facilities;

Visitor serving amenities which assure diverse opportunities for the public;

Collaboration between scientific resources of Cal Poly, experienced fishermen, regulatory agencies, environmental organizations and Harbor District to help restore a biologically and economically sustainable fishing industry;

Pursuit of grants to supplement local taxes and user fees for capital improvements, giving local taxpayers enhanced value for their dollar.

I have the understanding of public needs and expectations, facilities, fiscal management, environmental challenges, governmental processes and public safety necessary to do the job and the independence and objectivity to do it fairly.

I am proud of the Port. I am proud of our staff. I invite you to visit.

s/ Carolyn Moffatt

**STATEMENT OF CANDIDATE FOR  
COMMISSIONER  
Port San Luis Harbor District**

**STEW JENKINS** Age: 56

**Education and Qualifications:** I seek your vote to help the Harbor District return to fiscal health by providing improved public services. Reaching these goals takes long-term vision.

**Long Term Goals:**

Our Harbor District has unique powers under the law to restore salmon and steelhead spawning beds, and other fish habitat. It is authorized by law to plan and build a commuter rail system to affordably connect residents between Nipomo, Arroyo Grande, Oceano, Grover Beach, Pismo Beach, Avila, and San Luis Obispo.

**Immediate Goals:**

Keep our boat launch facilities clear of silt, add Kayak and Eco-Tour rentals, open full public access to the Point San Luis Lighthouse, open 30 acres of Port San Luis land for public campsites, expand concession services. These actions will generate revenue to repair, restore and improve aging piers and beach facilities.

**Affiliations:**

I serve on the Board of Directors for the Central Coast Salmon Enhancement, the Point San Luis Lighthouse Keepers, and the Central Coast Memorial Society. I am an Avila Business Association member, and a graduate of Cal Poly. I practice as an Estate Planning Attorney and have experience in Maritime Law. From 1979-1989 I served you on the Harbor Commission and maintained District financial strength.

Please Vote Stew Jenkins, Harbor Commissioner.

s/ Stew Jenkins

**STATEMENT OF CANDIDATE FOR  
COMMISSIONER  
Port San Luis Harbor District**

**JIM BLECHA** Age: 62  
Occupation: Marine/Aquatic Biologist

**Education and Qualifications:** M.Sc. Zoology. Harbor Commissioner 1983 - 1998, 2000 - 2008.

Port San Luis is the jewel of our coast.

My intent as a Commissioner has always been to manage the inevitable changes that will come to our area of coastal California in a way that will not destroy the character of the Port.

Port San Luis must remain a full service port with facilities to: keep commercial and recreational boats safe year-round, load and un-load vessels, reliably launch large and small vessels, fuel vessels and provide a fully functional boat yard.

The District's best option for the necessary independent revenue source is development of Harbor Terrace with mixed uses of tent camping, cabins, restaurant, and gear and boat storage. Other visitor serving and recreational opportunities should also be developed or enhanced.

2010 will be a challenging time for the District with a significant loss in revenue while new long term leases are negotiated and, at the same time, significant expenditures are needed for necessary repairs to the terminus of Harford pier.

The challenges ahead for PSLHD need to be met by commissioners with vision, pragmatism, and a sense of history.

Experience counts. Vote Blecha for Harbor Commissioner.

I do lack one significant thing: an agenda. I will do what I think is best for Cambrians. I appreciate your help.”</p> <p>Eight years later, my granddaughter is being educated in Cambria. My roots in Cambria have grown deeper. My guiding light has always been, and will continue to be, to treat Cambrians as though they were my extended family. To make the right decisions, without any allegiances to interest groups, is not always popular, but children do not always appreciate the guidance, discipline, and education provided by their parents. The future is bright, but we continue to need to be cautious, deliberate, and watch our purse strings. I am proud to have helped in successfully addressing Cambria's major issues from water to infrastructure to limitation of Cambria's Urban Reserve Line. I will be honored to continue with our work.</p> <p style="text-align: center;">s/ Ilan Funke-Bilu</p>	<p style="text-align: center;"><b>DECLARACIÓN DEL CANDIDATO A DIRECTOR</b> <b>Distrito de Servicios Comunitarios de Cambria</b></p> <p><b>ILAN FUNKE-BILU</b> <span style="float: right;"><b>Edad: 57</b></span> <b>Ocupación:</b> Abogado</p> <p><b>Educación y Competencia:</b> Hace ocho años, escribí en este espacio lo siguiente:</p> <p>“Primero y principal, soy un esposo, padre de familia, y abuelo. Carezco de una cosa: una agenda. Haré lo que pienso es mejor para los habitantes de Cambria. Le agradezco su ayuda.”</p> <p>Ocho años más tarde, mi nieta está siendo educada en Cambria. Mis raíces en Cambria se han profundizado. La luz que me guía siempre fue, y seguirá siendo, tratar a los habitantes de Cambria como si fueran mis familiares. Tomar las decisiones correctas, sin ninguna alianza con grupos de interés, no siempre es popular, pero los niños no siempre agradecen la guía, la disciplina, y la educación proporcionada por sus padres. El futuro es brillante, pero necesitamos seguir siendo cuidadosos, conscientes, y vigilar nuestro presupuesto. Estoy orgulloso de haber ayudado a tratar exitosamente los principales asuntos de Cambria desde el suministro de agua y la infraestructura hasta el límite de la Línea de Reserva Urbana de Cambria. Recent water rate protests have had an underlying theme of mistrust of the Board's actions. I will work for more financial detail being available to the public, and greater public involvement in decisions.</p> <p>Second, continue policies supporting the essential character of our village. I support the current policies of not expanding the boundaries of the district, limiting annual growth to 1% and limiting the ultimate growth to 4,650 homes.</p> <p>Third, I support the efforts to secure the most reliable new water source possible – desalination. Desalination means we control our source of water without fear of drought, pollution or reduction in supplies from other agencies.</p> <p>Vote Muril Clift for an open government committed to preserving our piece of paradise.</p> <p style="text-align: center;">s/ Muril N. Making it a reality is the focus of all our efforts. The plan will provide an alternate water source along with other essential needs. There is a unique Build-out-reduction plan to mitigate growth stimulating potential of a new water supply.</p> <p>Past efforts to achieve a solution to Cambria's chronic water problems have been thwarted as Board membership shifted following biennial elections.
