It is time to recruit students for our Student Precinct Worker Program for the
November 3, 2020 General Election!!

An application is attached for interested students. Please email completed form to precinctworker@co.slo.ca.us

The deadline for receiving information is **October 16th**. This way we can ensure that interested students are assigned to a polling place. It is VERY important for us to know which schedule each student can work.

We have a limited space for students, so it is important that whoever signs up is committed to working on Election Day. While last minute emergencies do occur, please emphasize that agreeing to work on a precinct board is a legal commitment and should be taken seriously.

Thank you very much for helping us reach interested high school students. We have been pleased with the success of this program in the past. Voters and other workers have enjoyed working with the students and students have positive comments about the experience and some have even continued to work with us as regular precinct workers.

If you have any questions, please feel free to contact us.

Sincerely,

Ashley Gibson
Poll Worker Coordinator
