Comment: this Hwy 58 has a CALTRANS sign advising against tractor/trailers at the corner of Entrada / El Camino Real in Santa Margarita. this stretch has the Community Park + Elementary school crossings, which use a live human being crossing guard weekdays.

this stretch is used by the Wild Flower Ride Bicyclists, motorcycle clubs, and car ralley drivers.

this is a scenic area with wildflowers and very pretty mountains in all directions, and this Quarry is totally inappropriate. Too many commuters from PARK HILL + points east use this road. I feel strongly against the location of the project.
