RE: Nipomo Self Storage Parcel Map (SUB2004-00281)

Recommendation: Staff requests that the above-referenced item be continued from the January 9, 2006 Subdivision Review Board meeting to February 6, 2006 pending the noticing of the revised environmental determination.

Background:

Following the noticing of the Mitigated Negative Declaration for the project for the January 9, 2006 Subdivision Review Board meeting, staff identified needed revisions to the wastewater section of the document. The revisions were substantial to warrant re-noticing of the environmental document. Therefore, staff is requesting a continuance of the item to February 6, 2006 to provide additional time to notice the proposed Mitigated Negative Declaration.
