For knee and hip replacements, spinal fusion, and bariatric weight loss procedures, you need to receive an expert second opinion through Carrum Health, prior to scheduling your procedure. The second opinion service is free and most will be done virtually. If surgery is the right treatment path, you may continue through Carrum Health or get your procedure done through another provider.

Individuals enrolled in high deductible plans must first meet their deductible, but copays and coinsurance will be waived.

*Per IRS rules, a portion of any covered travel expenses will be reported as taxable income.
