Footnote #	Footnote Narrative
1	Fees are non-refundable, regardless if transaction is completed or not. Does not include the value of the property or easement acquired.
2	Term of 1 day to 1 year. An additional up-front fee of \$100 will be assessed for each site visit estimated to be required during the processing or management of the permit. Some of the difference between actual staff costs and the proposed fee shown in this analysis will be made up through the additional site visit charges, where applicable. A higher fee is not recommended because it may result in fewer users requesting permits, and the most significant purpose of the permit is reduce the County's exposure to liability.
3	An increase in the deposit from a range of \$2,000-\$5,000 in FY 2008-09 to \$8,000 was approved for FY 2009-10, but was not implemented in FY 2009-10 due to lack of required notification to the California Film Commission. The deposit is an offset to actual staff costs incurred, and unused deposit money will be refunded. The last feature film was in FY 2001-02. None are projected for FY 2011-12.
4	Six (6) roads or less and seven (7) days or less. Plus costs to other departments, if applicable. Although staff costs are not fully recovered at a fee of \$500, a higher fee is not recommended because it is already near the top of the range of nearby counties. The California Film Commission endorses lower fees since their industry brings in a great deal of revenue to local businesses for any filming event. Film permit fees were last increased in FY 2005-06, when a \$100 increase was approved.
