<b>Footnote</b>	<b>Footnote Narrative</b>
8011	The fee does not apply to trips solely for transporting on duty signatory air carrier crew members to and from a flight for which they are scheduled crew members. If the passenger load includes an off duty crew member or any other passenger the trip fee does apply. County reserves the right to adjust the amounts of the per-month fee annually.
8012	The current trends of carriers is to hire outside companies to handle the ground handling as the smaller airports. The Airport currently does not have any fee to address this new approach. This new fee will allow the Airport to collect revenue similar to other customers who operate a business on at the Airport.
