Footnote #	Footnote Narrative
1	The department wishes to recover the full cost of service (including consultant cost) for all major projects. If the processing cost of an application, including environmental review or administering the conditions of approval, will be substantially in excess of the fee/deposit, the applicant may be notified before the project is scheduled for public hearing that the total processing cost will be determined by full cost recovery techniques and that additional charges (invoices) may be forthcoming. Invoices not paid within 30 days of billing will have
2	The Department wishes to recover the full cost of staff time required to resolve land use violation cases that do not require issuance of a land use permit. The Department shall notify the property owner at the time a violation is verified to exist. The total administrative cost of resolving the enforcement case will be determined by full cost recovery techniques and the property owner will be billed accordingly.
3	A refund of any unused portion of fees for withdrawn or partially completed projects shall be determined by the Planning Director based on code requirements and/or an appraisal of the cost of staff work up to the time the project is withdrawn. Any fee erroneously paid or collected will be refunded in full or credited in full to the correct fee. All requests for refunds shall be in writing from the property owner or designee as listed on the application as originally filed with the department, with the refund paid only to that owner.
4	<p>The Planning Director is delegated the authority to grant fee waiver requests for land use and construction permits on development projects that are proposed by volunteer, community and nonprofit organizations for the benefit of an entire community when the project satisfies the following criteria. This policy does not apply to requests for general plan amendments.</p> <p>a. the proposed project will be available for use by the public at-large and it is likely that the project will be used or will benefit more than residents of the immediate vicinity; and</p> <p>b. the project will be of obvious public benefit. Evidence of public benefit may include but is not limited to:</p> <ol style="list-style-type: none"><li>1. the project meets a need previously identified or recognized by the Board of Supervisors.</li><li>2. the project replaces another facility that previously provided benefit.</li><li>3. the project provides a facility not presently available in the community.</li><li>4. the project has generated substantial, obvious community support.</li></ol> <p>c. The fee (s) to be waived will not exceed a total of \$5,000.</p> <p>d. The Planning Director decisions may be appealed in writing within ten days to the Board of Supervisors, whose decision will be final.</p> <p>e. Notwithstanding any other provision of this fee schedule, the Board of Supervisors retains the authority to consider other fee waiver requests when it considers such waivers to be equitable and in the public interest.</p>
5	The Planning Director is authorized to waive land use, building and environmental review fees for applicants who are seeking to reconstruct legally constructed homes and other structures, including associated grading, that were destroyed as a result of a natural or manmade disaster, where the Board of Supervisors adopts a resolution declaring such a disaster.
6	The Planning Director may waive the appeal fee in the County Coastal Zone for projects that meet Department policy pursuant to Coastal Zone Land Use Ordinance Section 23.01.043 and the California Code of Regulations Section 13573 and the Public Resources Code Section 30603.

7	For applications that are located within urban reserve lines as defined by the Land Use Element and Land Use Element/ Local Coastal Plan of the County's General Plan, a credit of \$575.00 shall be applied as a reduction toward the application fee.
8	Where dis-establishment of an agricultural preserve is requested concurrently with a General Plan Amendment application of the property, this fee will not be collected and the General Plan Amendment fee will instead cover the costs.
9	<p>The pre-application fee must be paid in advance of the office consultation or site visit. The pre-application site visit fee shall be charged when an applicant requests a site visit or the Planning Director determines a site visit is necessary to properly assess the applicant's proposal. As an incentive, these fees may be waived by the Planning and Building Director for projects that provide facilities that will benefit the community-at-large, such as but not limited to recycling centers, day care centers, schools and affordable housing projects (on a project-by-project basis). If an application is submitted within six months of the pre-application meeting, the pre-application fees will be applied to the application processing fees.</p> <p>A pre-application meeting is required for General Plan Amendment applications, such as:</p> <ul style="list-style-type: none"><li>a. Land Use Element / Local Coastal Plan map or text amendment</li><li>b. Land Use Ordinance / Coastal Zone Land Use Ordinance text amendments</li><li>c. Property request submitted during Land Use Element / Local Coastal Plan area plan update</li><li>d. 26	This fee is to be collected by the Local Agency Formation Commission (LAFCO) and transferred to the Department of Planning and Building at the time an application is made to LAFCO. The fee will be collected when the LAFCO Executive Director determines that the application needs review by the Department of Planning and Building.
27	The Lodge Hill erosion control / forest management fee applies to all permits for new dwelling units within the Cambria Monterey Pine Forest Sensitive Resource Area as defined in the North Coast Area Plan of the General Plan. Fee amount established by the California Coastal Commission.
28	Recording fees are collected to cover the costs of document recording when required. The amount of the fee is determined by the County Clerk-Recorder and must be paid to the Department of Planning and Building prior to recording of the document.
29	Public Facilities Fees are required in accordance with Title 18 of the County Code. The fee amount is determined through an annual review of the program by the Board of Supervisors.
30	The Parkland "Quimby" fee is based on the estimated average cost for developing one acre of parkland in the County, as determined by the Board of Supervisors in accordance with the provisions of the Real Property Division Ordinance, Chapter 9: Parkland Dedication and/or Fee (Title 21 of the County Code). This fee is based on the adoption by the Board of Supervisors of the "Quimby" Ordinance that requires either dedication of new parkland or the payment of in-lieu fees for new parkland when new subdivisions are proposed. 33	The record research fee can be used to recover the full cost of services for providing census and statistical information as permitted by the U.S. Bureau of the Census.
34	If record search or database inquiry includes a request for photocopies of records, cost of copies will be billed at direct cost plus 33% to be added to staff billing costs.
35	The surface mine / annual inspection fee is to recover the full cost of services for inspecting, updating financial assurances, maintaining records, and coordinating with the State Division of Mines and Geology for all surface mining operations in the unincorporated county. The current fee, any previously unpaid inspection fees, and the code enforcement violation fee shall be paid prior to the inspection being conducted.
36	During the processing of Land Use Permits / Applications, the California Environmental Quality Act (CEQA) may allow/require an alternative determination, which may increase/decrease the fee.
37	During the processing of a Land Use Permit / Application, if it is determined that use of another agency approved Negative Declaration or reissue of an approved Negative Declaration is available, the Environmental Coordinator may determine the full portion of the fee associated with the Negative Declaration is not necessary. In these cases, the portion of the fee attributable to the Negative Declaration will be 50% of that portion.
38	The applicant is required by County CEQA Guidelines to pay the entire cost of consultant's services.
39	The Environmental Coordinator may authorize and the applicant may approve the environmental determination to be prepared by the County's consultant. In these cases, the fee will be 50% of the County fee attributable to the environmental determination plus the actual consultant cost.
40	The County wishes to recover the full cost for processing projects. A 30% processing fee will be charged for the processing of a mitigation monitoring program, Environmental Impact Report, or Expanded Initial Study. For projects of unusual size and scope, if the Planning Director and the Environmental Coordinator determine that processing costs will be substantially less than or in excess of the fee, the applicant shall be notified that the cost will be determined by either an adjusted percentage based on estimated costs or by full cost recovery.
41	The County Auditor will apply interest earned on deposits held in the Environmental Impact Report Trust Fund for Environmental Impact Reports to the individual trust account, where the project has paid the total estimated cost together with the full 30% administrative fee and the applicant has provided the necessary income tax reporting information. The interest rate will be the rate earned by the County treasury pool.
42	Pipeline repair projects which may be statutorily exempt from environmental review pursuant to CA Public Resources Code Section 21080.23. shall be billed at cost in order to recover the full cost of determining and insuring compliance with Section 21083.23. An initial deposit equal to the full environmental fee for the level of permit (Grading Permit, Minor Use Permit, Development Plan) is required.
