Footnote #	Footnote Narrative
1	Fee collected by Planning Department and transferred to the Public Works Department.
2	<p>A fee equal to the County's direct and/or indirect costs, including the costs of County's consultants shall be paid to the County for reviews, and/or processing of applications for, the issuance of, the transfer of, the extension of term of, the expansion of, the change in services by or in, or other changes by or in franchises or licenses or permits for the following:</p> <ul style="list-style-type: none"> (a) telecommunications (including cable television), (b) public utilities, (c) solid waste collection and disposal, (d) recycling, (e) ambulance and/or emergency medical response and transportation, (f) other services to persons or entities with the County which require authorization from the County and/or the use of County owned or controlled right-of-ways or property. <p>The County will estimate the probable costs of such review and processing and require a deposit in the amount of such probable costs to accompany such applications.</p>
3	Refunds: Refund of any portion of fee(s) for withdrawn or partially completed projects shall be determined by the Director of Public Works, or his designee, based on code requirements and/or his appraisal of the cost of staff work.
4	A fee equal to the County's direct and/or indirect costs, including the costs of County's consultants shall be paid to the County. The County will estimate the probable costs of such processing and require a deposit in the amount of such probable costs to accompany such applications.
5	<p>The Director of Public Works, or his designee, is delegated the authority to grant fee waiver requests for land use and construction permits on development projects that are proposed by volunteer, community and nonprofit organizations for the benefit of an entire community when the project satisfies the following criteria. This policy does not apply to requests for general plan amendments.</p> <ul style="list-style-type: none"> (a) The proposed project will be available for use by the public at large and it is likely that the project will be used or will benefit more than residents of the immediate vicinity; and (b) The project will be of obvious public benefit. Evidence of public benefit may include but is not limited to: <ul style="list-style-type: none"> 1. The project meets a need previously identified or recognized by the Board of Supervisors. 2. The project replaces another facility that previously provided public benefit. 3. The project provides a facility not presently available in the community. 4. The project has generated substantial, obvious community support. 5. The project would reduce other county costs or increase other county revenues; and (c) The fee(s) to be waived will not exceed a total of \$5,000. (d) Director of Public Works decisions may be appealed in writing within ten days to the Board of Supervisors, whose decision will be final. (e) Notwithstanding any other provision of this fee schedule, the Board of Supervisors retains the authority to consider other fee waiver requests when it considers such waivers to be equitable and in the public interest.
6	The Director of Public Works, or his designee, is authorized to waive fees for applicants who are seeking to reconstruct legally constructed homes and other structures, including associated grading, that were destroyed as a result of a natural or manmade disaster, where the Board of Supervisors adopts a resolution declaring such a disaster.
