<b>Footnote #</b>	<b>Footnote Narrative</b>			
1	Sliding fee scale based on household income and number of dependents. State approved cost report.			
2	An hourly rate fee is added for those projects that require more than the projected average number of staff hours.			
3	Move towards Board of Supervisor policy of full cost recovery and/or minimize impact on General Fund.			
4	Veterans with an honorable discharge operating a business in the incorporated and unincorporated areas of the county and subject to these fees will receive an exemption from health permit and other Environmental Health fees as authorized by the Business and Professions Code, Sections 16000 et seq.			
5	Non-profit organizations with proof of non-profit status will receive an exemption from these Environmental Health Fees.			
6	Under the authority of the Health Officer and mandate of the Department of Public Health to prevent the spread of communicable diseases or occurrence of additional cases (California Health and Safety Code section 120175), fees may be waived or reduced to an amount a patient is able to pay			
7	All significant supplies and medications are additional at a rate not to exceed direct and indirect costs.			
8	Non-profit organized camps are exempted from the fees in this program.			
9	State mandated fees are published for information only and may change after this publication. Not at County discretion.			
10	Multiple program fee adjustment of \$45/additional program when facilities are subject to two or more programs.			
11	This fee will be charged at 1.5 times the hourly rate when work is performed during overtime conditions.			
12	The Director of Environmental Health is authorized to waive fees for applicants who are seeking to reconstruct legally constructed homes and other structures, including associated grading, that were destroyed as a result of a natural or manmade disaster, where the Board of Supervisors adopts a resolution declaring such a disaster.			
13	Fees charged offset fiscal year costs.			
14	The CUPA may authorized a CalARP facility risk management plan audit in compliance with CCR, Title 19, Division 2, Chapter 4.5, Section 2775.2 and CUPA Policy P-04 to be conducted by the County's consultant. The fee is charged to the CalARP facility and passed through to the consultant.			
15	Environmental Health may authorize a consultant to review and oversee site remediation/clean up projects. Review and oversight consists of but is not limited to review site work and safety plans, oversee customer field work to verify compliance with site health and safety plans, review phase I and phase II site investigation reports, and provide verbal and written reports to Environmental Health regarding site closure and/or required mitigation. Actual cost of consultant is charged to the customer and passed through to the consultant.
