

PURPOSE

The State Fish and Game Code provides that 50 percent of fine monies collected for fish and game violations be returned to the County in which the offense was committed. These monies are to be expended for the protection, conservation and preservation of fish and wildlife. The Board of Supervisors appoints a County Fish and Game Fines Committee to make recommendations for the expenditure of fine monies, which may include public education, habitat improvement, research and recreation. The Fish and Game Fines are expended from a special revenue fund.
