Memorandum

TO: Kami Griffin, Supervising Planner
County Department of Planning and Building

FROM: Mary Whittlesey, Solid Waste Coordinator
County Department of Public Works and Transportation

SUBJECT: Initiative Measure – Dalidio Ranch Project

This memo is in response to your June 9, 2006 request for information about the proposed Dalidio Ranch project. If the initiative measure is approved, the proposed project would be required to comply with the Construction and Demolition Debris Recycling Ordinance during all phases of development. In addition, if the project is built, sufficient space needs to be dedicated for garbage and recycling containers for all activity areas/uses.

I hope this information is helpful. I can be contacted at 781-5259 if you require more specific information.
