SUBJECT: Submittal of a Resolution Amending the San Luis Obispo County Traffic Regulation Code Establishing Stop Intersections in the communities of Los Osos, Templeton and Cayucos

Recommendation

It is recommended that your Board approve the attached Resolution amending the County's Traffic Regulation Code pertaining to stop intersections.

Discussion

To support a bike boulevard on Tenth Street in Los Osos, from El Moro Avenue to Santa Ynez Avenue, it is necessary to revise existing stop intersections along the route and place the stop sign on the approaches to Tenth Street on San Luis Avenue, Ramona Avenue, Pismo Avenue, Paso Robles Avenue and Nipomo Avenue. This will allow for rerouting bike traffic onto Tenth from Ninth and Eleventh Streets which have no improved shoulders.

At Twelfth Street and El Moro Avenue, installation of a stop sign on Twelfth will promote the safe use of the recently completed El Moro bikeway project.

North Ocean Avenue at Cayucos Drive in Cayucos has had many requests in the past for more traffic controls. With increased pedestrian traffic it now meets warrants for stop sign placement.

Petersen Ranch Road at Frontier Way in Templeton has seen a substantial increase of traffic volume. With the completion of Bennett Way that intersects Petersen Ranch Road at Frontier Way, the new four-way intersection will become an all-way stop.

Other Agency Involvement/Impact

The California Highway Patrol will enforce these new traffic regulations. The Bicycle Advisory Committee has reviewed and concurred with the recommendation for the Tenth Street bikeway project. The Cayucos Advisory Council has been notified of the item in their area.

Financial Considerations

Placement of signs is estimated to cost approximately \$400 per location. This is within the road fund budgeted amount for this activity.

Results

Your adoption of this resolution will provide a safer and more livable community by creating reliable bike routes and reduce potential conflicts with pedestrians and turning traffic.
