**DATE: August 15, 2006**

**SUBJECT: Request to Approve a Budget Adjustment (by 4/5<sup>th</sup> vote) in the Amount of \$5,000 from Unanticipated Revenues for Fund Center 215 – Farm Advisor, to be used for the *Eat Smart. Play Hard.*<sup>™</sup> *San Luis Obispo County!* Program**

**Recommendation**

That the Board approve a budget adjustment, by 4/5<sup>th</sup> vote, in the amount of \$5,000 from unanticipated revenues to be used in support of the *Eat Smart. Play Hard.*<sup>™</sup> *San Luis Obispo County!* program

**Discussion**

The University of California Cooperative Extension (UCCE) applied for FY 2006/07 funding under the County of San Luis Obispo Community Based Organization/Preventive Health Grant Program. The sum of \$5,000.00 was recommended in support of the *Eat Smart. Play Hard.*<sup>™</sup> *San Luis Obispo County!* program. The Board of Supervisors approved this recommendation during FY 2006/07 budget hearings.

*Eat Smart. Play Hard.*<sup>™</sup> *San Luis Obispo County!* is a program that tackles the problem of childhood obesity in a new way: by implementing a curriculum in which a child and an adult, who is important in the child's life, pair up to learn about nutrition and fitness while having fun together. During the last two years, using \$109,076.00 in federal and state grants, the Farm Advisor/University of California Cooperative Extension (UCCE) - San Luis Obispo conducted a needs assessment and developed, pilot tested, and evaluated this English/Spanish curriculum locally in order to optimize the program before taking it county-wide. The \$5,000.00 in Preventive Health Grant funds will go directly towards the third phase of this 3-year project: establishing the program in San Luis Obispo County through train-the-trainer programming.

The Farm Advisor department is requesting that the Board of Supervisors approve a budget adjustment, by a 4/5<sup>th</sup> vote, in the amount of \$5,000.00 into its FY 2006/07 department budget so that all funds are kept locally and the UCCE indirect costs are eliminated. UCCE has agreed to this proposal as an augmentation to the Farm Advisor FY 2006-07 department budget.

**Other Agency Involvement/Impact**

University of California Cooperative Extension staff will carry out and oversee the program in cooperation with San Luis Obispo county community based organizations serving youth.

**Financial Considerations**

This unanticipated revenue will not change the net county cost for the Farm Advisor department.

**Results**

One of the goals of the Farm Advisor department is to help youth and families grow strong, thus resulting in a prosperous and healthy community. The overall goal of the *Eat Smart. Play Hard.™ San Luis Obispo County!* program is to help children maintain healthy weights, thus improving the overall health of children in San Luis Obispo County.
