## Financial Considerations

This is a Road Fund Maintenance project currently budgeted through construction at \$111,000. Now that Bids are in, current estimates of cost are \$105,000. Funding for this maintenance project will be from the 2006/07 Road Fund Maintenance Budget. Funding under the Maintenance budget is provided to maintain bridges such as this one on Old Creek in response to State Bridge Inspections. No budget adjustment is necessary at this time.

Please see Exhibit A for a Cost Breakdown of the project.

## Results

Approval of the recommended action will result in a safer structure and continued service to the community.
