TO: HONORABLE BOARD OF SUPERVISORS

FROM: GERE W. SIBBACH, AUDITOR-CONTROLLER *Cee*

DATE: AUGUST 22, 2006

SUBJECT: REQUEST TO APPROVE AN INTERIM YEAR RATE ADJUSTMENT OF 3.76% FOR THE GARBAGE HAULING SERVICES PROVIDED BY SOUTH COUNTY SANITARY SERVICES INC.

Recommendations

It is recommended that the Board approve a rate increase for South County Sanitary Services Inc., to be effective October 1, 2006, as detailed in the following attachments:

<u>Exhibit</u>	<u>Company Name</u>	<u>Adjustment Type</u>	<u>Areas Served</u>
A	South County Sanitary Service, Inc.	3.76% - Interim Year Rate Adjustment	Avila Beach, Urbanized Rural Arroyo Grande & Halcyon Area, Nipomo Bluff Area (Non-Nipomo Community Service District), and Nipomo Mesa Area.
B	South County Sanitary Service, Inc	3.76% - Interim Year Rate Adjustment	Rural Arroyo Grande and other unincorporated areas of South San Luis Obispo County.

Discussion

South County Sanitary Services Inc. has requested a rate increase of 3.76% to be effective October 1, 2006. The requested rate increase includes a 3% interim adjustment for the Consumer Price Index (CPI) and a 0.76% pass through cost increase attributable to a concurrent \$1 per ton increase in landfill tipping fees. The neighboring cities approved a similar rate increase effective May 1, 2006. Historically, garbage rates in the unincorporated areas have been tied to those of neighboring cities due to their similar service levels and proximity. The Auditor-Controller is recommending a comparable rate increase for the unincorporated (adjusted for the 10% franchise fee) to be in-line with the recent rate increase approved by those neighboring cities.

*B-5
2*

This is an interim rate review, which is normally done every two years to adjust for the prior year's cost of living increase and changes in landfill tipping fees. A comprehensive base year rate review is performed every third year.

South County Sanitary Services provides waste hauling services to residential and commercial customers in the unincorporated areas of Avila Beach, Nipomo, Rural Arroyo Grande and other unincorporated areas in south San Luis Obispo County.

Other Agency Involvement/Impact

Auditor-Controller's staff has worked closely with the County's Public Works Solid Waste Coordinator who supports this recommendation.

Financial Considerations

The County will receive a slight increase in franchise fee revenues; overall there will be no significant financial impact to the County budget.

Results

The interim year rate increases enable the garbage companies to maintain established profit margins while upgrading services, provide solid waste services to the public at a reasonable rate, and meet the County's solid waste reduction obligations and burning limitations.
