Please explain why you would like to serve in this capacity: I resigned due to medical complications and felt it was important to give some one else an opportunity to take my place if I for some reason would not be able to attend meetings. I believe you need to give 100% of yourself and during the last 5 months I was not able to do that. I have come through these medical issues with a 100% healing. I spoke with the Commission to see if they felt there was any reason I should not come back. I received a nice welcome from the Chair that they would be excited to see me back and that my contribution is appreciated and needed. I aspire to help women in our community, women in the market place to see their self worth, contributions and their role in our community is a vital reason this county is prosperous. I hope to do this through innovative, creative and positive outreach.

I enjoy working with a team of women who have the same common goal; therefore, working together by networking resources within the community that serve women through financial training, building esteem classes, scholarships for the unfortunate in our community, and most importantly recognizing Women and Women's organizations in our community that strive to mold and make a difference in where we live.

Thank you for this opportunity to share.
