- 2. Level of Severity III (LOS III) for water supply.** In communities with a certified Level of Severity III (LOS III) for water supply, whenever the use of inclusionary density bonus units allowed by this ordinance will cause a development project to exceed the residential density otherwise allowed by County ordinances, then prior to project approval, the decision-making body shall find substantial evidence to support a conclusion that the estimated non-agricultural water demand of the density bonus units will not exceed the estimated non-agricultural water demand of the project without the density bonus units.

The Building Official shall inspect or provide for adequate inspection of the project by appropriate professionals at the various stages of work and at any more frequent intervals necessary to determine that adequate control is being exercised by the professional consultants.

SECTION 7. This project is covered by the general rule that the California Environmental Quality Act (CEQA) applies only to projects which have the potential for causing a significant effect on the environment (Government Code 15061(b)(3). It can be seen with certainty that there is no possibility that this project may have a significant effect on the environment because no new development is authorized, no increase in density will occur, no change in allowed uses is proposed or authorized and no physical change to the environment will occur. Therefore the activity is not subject to CEQA.

SECTION 8. If any section, subsection, clause, phrase or portion of this ordinance is for any reason held to be invalid or unconstitutional by the decision of a court of competent jurisdiction, such decision shall not affect the validity or constitutionality of the remaining portion of this ordinance. The Board of Supervisors hereby declares that it would have passed this ordinance and each section, subsection, clause, phrase or portion thereof irrespective of the fact that any one or more sections, subsections, sentences, clauses, phrases or portions be declared invalid or unconstitutional.
