

**ORDINANCE NO. 3330**

**AN ORDINANCE AMENDING CHAPTER 8.12 OF THE SAN LUIS OBISPO COUNTY CODE, THE SOLID WASTE MANAGEMENT ORDINANCE, BY AMENDING SECTION 8.12.735 RELATING TO THE MAXIMUM TERM OF SOLID WASTE COLLECTION FRANCHISE AGREEMENTS**

**WHEREAS**, Public Resources Code Section 40059 states that the authority to provide solid waste collection services through a nonexclusive or exclusive franchise (or combination thereof) may be granted by a county either with or without competitive bidding under terms and conditions prescribed by the board of supervisors by resolution or ordinance; and

**WHEREAS**, Chapter 8.12 of the San Luis Obispo County Code sets forth the terms and conditions under which solid waste collection franchises may be granted within the unincorporated areas of the County; and

**WHEREAS**, the County of San Luis Obispo first entered into solid waste collection franchise agreements with local solid waste haulers in 1994; and

**WHEREAS**, other local governmental agencies within the County also enter into solid waste collection franchise agreements with local solid waste haulers within their respective jurisdictions; and

**WHEREAS**, in 1994, the County and cities and community services districts within the County formed the San Luis Obispo County Integrated Waste Management Authority (IWMA) pursuant to the Joint Exercise of Powers Act (Government Code §§ 6500 *et seq.*) for the purpose of advising, planning for, suggesting and implementing solutions to common solid waste problems; and

**WHEREAS**, IWMA staff, in coordination with IWMA member agency staff, recently evaluated locally imposed term limits on franchise agreements in light of franchisees' needs to provide a basis to justify long-term financing or investment in facilities and major capital improvements, including, without limitation, the expansion of the Cold Canyon Landfill and construction of a Kompogas facility; and

**WHEREAS**, IWMA staff, in coordination with member agency staff, has determined that such locally imposed term limits are no longer necessary based on, among other things, the rate review and termination provisions set forth in the franchise agreements and that such term limits hinder the flexibility of local agencies to satisfy State mandates in a manner that requires a significant investment on the part of franchisees; and

**WHEREAS**, consequently, allowing the County the discretion to negotiate longer franchise agreements on a case-by-case basis consistent with all applicable requirements of the Integrated Waste Management Act (Public Resources Code §§ 40000 *et seq.*), including, without limitation, Public Resources Code Sections 49200 through 49205, in order to permit franchisees to secure financing for necessary facilities and capital improvements, is in the public interest.

**NOW, THEREFORE,** the Board of Supervisors of the County of San Luis Obispo, State of California, ordains as follows:

SECTION 1: Title 8, Chapter 8.12, Section 8.12.735 is hereby amended to read as follows:
