Public Health Week of Awareness Schedule of Events

For nearly two decades, the first week in April has celebrated National Public Health Week (NPHW). This year, NPHW will take place from April 7–13 and will focus on guiding communities through the evolving public health system with the theme “Public Health: Start Here.”

SLO Public Health staff will be out in force during NPHW at farmer’s markets and food bank distributions.

For more information please contact San Luis Obispo County Public Health at 805-781-5500.
