

5 Rules of Court for Kids

- #1 TELL THE TRUTH
Don't tell any lies.
Don't leave things out.

- #2 If you are asked the same question over and over, give the same answer over and over.

- #3 "I don't know" means you never knew the answer.
"I don't remember" means you knew the answer before, but right now you forget the answer.

- #4 Don't say "I don't know" or "I don't remember" if that's not true.
- #5 You do not have to agree with the person asking you the question just because they are the grown-up.
