- If you work full time, you and your family may still qualify for CalFresh.
- You can buy food at any grocery store or farmers' market that accepts EBT cards.
- You never have to pay back CalFresh benefits if you are eligible for them.

How much CalFresh will I receive each month?

- The amount you get depends on your income, expenses, and family size.
- Most households that receive CalFresh get more than \$200 each month.

How long will it take to get CalFresh?

- If eligible, you will get your CalFresh within 30 days.
- You may get CalFresh in three days if you earn less than \$150 in the month you apply and if you have less than \$100 in cash. Ask your worker if you can get emergency service when you apply.

How much money can I have and still get CalFresh?

You can:

- Earn money from a job.
- Get unemployment benefits.
- Get general assistance/relief.
- Get child support.
- Be part of CaWORKs.
- Get disability benefits.

Look at the table to see if your income makes you eligible.

If you are a disabled or an elderly person (over 60 years old) tell your worker. The table may not apply to you. You can earn more money and be eligible.*

What about things I own?

When you apply for CalFresh you may own a house, have cars, and still qualify. Ask your worker for more information.
