

## A Just in Time Training Live Web Event Invitation

Presented by the Florida Quality Parenting Initiative

---

The Quality Parenting Initiative invites you to join us for:

### Meeting the Challenges of Toddler and Early Childhood Feeding

Date: Monday, January 27, 2014  
1:30 PM – 3:00 PM (Eastern)

Presented by: Holly Pudwill, MS, RD, LD/N, is a licensed, registered dietitian with a Master's degree in Clinical Nutrition from Florida State University.

Please register for this live web-based training. [Click here](#)

*AUDIO will be provided over your Computer.*

This presentation is designed to help the caregiver meet the challenges of feeding the difficult toddler. Whether the eating problems stem from behavioral issues or from lack of exposure and a limited repertoire of foods, the consequences of a limited diet can affect growth and the socialization and adaptation essential to a healthy dining experience. Understanding the appropriate interventions and a commitment to the process of healthy eating will result in a child who can thrive and enjoy the mealtime experience!
