**TO:                    ALL PROSPECTIVE PROPOSERS**  
**SUBJECT:        LOCAL PROPOSERS PREFERENCE**

The County of San Luis Obispo has established a local vendor preference. All informal and formal Request for Proposals for contracts will be evaluated with a 5% preference for local vendors. Note the following exceptions:

1.        Those contracts which State Law or, other law or regulation precludes this local preference.
2.        Public works construction projects.

A "local" vendor will be approved as such when, 1) It conducts business in an office with a physical location within the County of San Luis Obispo; 2) It holds a valid business license issued by the County or a city within the County; and 3) Business has been conducted in such a manner for not less than six (6) months prior to being able to receive the preference.

As of March 3, 1994 individual County Buyers evaluate RFP's (Request For Proposals) considering the local vendor preference described above. The burden of proof will lie with proposers relative to verification of "local" vendor preference. Should any questions arise, please contact a buyer at (805) 781-5200. All prospective proposers are encouraged to quote the lowest prices at which you can furnish the items or services listed in County proposals.
