ADDENDUM NO. ONE

DATE: May 12, 2009

NOTICE TO: CONSULTANTS PROPOSING ON THIS WORK

PROJECT: CAL FIRE - CRESTON – CONSTRUCT FIRE STATION, #320008

You are hereby notified of the following additions/deletions in the Plans/Specifications, which shall take precedence over anything to the contrary therein. The Contractor shall acknowledge receipt of this and all addenda on Bid Form.

Description of clarifications:

- 1. Clarification for Section “C Required Proposal Format and Content, item 6.c Quality Control”.**
This RFQ does not include Construction Management Services. The Architect of Record will be required to provide typical architectural services during construction. Services may include construction meetings, clarifications and responding to RFI's, construction observations, submittal reviews, changes during construction, SWIPP reviews and reports. Please refer to Section G Services Provided by County, item 5.
- 2. Add to Section “F. Required Consultant Services”.** Professional Landscape Architectural services shall be included.
- 3. Clarification for Section “F. Required Consultant Services, Item 8 - Environmental Services”.**
The County will submit the project at Schematic Design to initiate the Environmental review and determination. The consulting firm shall assist the County in this process with schematic plans, estimates of soils disturbance, and making the changes to the design as required to mitigate environmental impacts. An Environmental Impact Report is not part of this RFQ.
