1. Does the County have as-built plans or log of test borings, and if so could we get a copy?

As-built plans and log of test borings are not available.

2. Will the County consider allowing us to modify the indemnification language in the Agreement for Engineering Consulting Services?

No

3. The RFP states that all required permits, to allow for field exploration work, will be obtained by the County. Does this include any ARCOE permits, Fish & Game permits, and County boring permits?

Yes

4. Is this a prevailing wage job?

Please refer to Article 14 of the Agreement for Engineering Consulting Services.
