INVITATION TO BID #3517-10 NEW AND UNUSED TRUCKS

QUESTIONS AND ANSWERS

January 12, 2011

Q. I am not sure what is meant by the "Flat Console with key-lock cylinder" on the Trunk in the Dimensions section- The trunk does have a cylinder lock to open it and the floor is a flat floor inside. Is this what is the intended meaning?

A. Yes

Q. On the paint requirements for the door: A few municipalities have asked for pricing to wrap the door and roof in white vinyl instead of paint to cut cost. It also makes it much easier to remove when reselling the vehicle. Is this something you might be interested in?

A. Yes, but must include a minimum 3 year warranty or be covered under the vehicle's 3 year bumper to bumper warranty.
