

County of San Luis Obispo Invitation to Bid# 3396-15 May 2015 Page 3
BULK DELIVERY VEHICLE FUELS

TO: ALL PROSPECTIVE BIDDERS

SUBJECT: LOCAL BIDDERS PREFERENCE

The County of San Luis Obispo has established a "local vendor preference" policy. All informal and formal bids for contracts will be evaluated with a 5% preference to local vendors with the following exceptions:

1. Those contracts which State Law requires be awarded to the lowest responsible bidder.
2. Public works construction projects.

A "local vendor" status will be established if you 1) conduct business in an office with a physical location within the County of San Luis Obispo; 2) hold a valid business license issued by the County or a city within the County; and 3) operate your business for not less than six (6) months prior to being able to receive the preference.

As of March 3, 1994 individual County Buyers evaluate bids by considering the "local vendor preference" described above. The burden of proof will lie with bidders relative to verification of "local vendor preference". Should any questions arise, please contact a buyer at (805) 781-5200. All prospective bidders are encouraged to quote the lowest prices at which you can provide the items or services listed in County bids.

**SUBJECT: POLICY ON PURCHASING PRODUCTS MADE WITH OR CONTAINING
 CHLOROFLUOROCARBONS (CFC's)**

Summary

Many products contain chlorofluorocarbons (CFC's), a known depleter of ozone in the atmosphere. Under the U.S. Clean Air Act and the Montreal Protocol on Substances that Deplete the Ozone Layer, CFC production for use in industrialized nations is to be totally phased out by January 1, 1996. There are still many products on the market that contain CFC's or are made with CFC's. The Department of General Services, purchasing staff must identify products made with or containing CFC's and purchase alternative products whenever practical and possible.

Policy

To this end, it shall be the policy of the County of San Luis Obispo that all bidders, who wish to do business with the County are required to identify all products that contain CFC's or use CFC's in the manufacturing or shipping processes. Bidders are required to identify alternative products that do not use CFC's, for possible purchase by the County.

Bidder Response
