Department Name: Public Health - Environmental Health
Fund Center: 16002

Footnote #	Footnote Narrative
1	An hourly rate fee is added for those projects that require more than the projected average number of staff hours.
2	Move towards Board of Supervisor policy of full cost recovery.
3	Veterans with an honorable discharge operating a business in the incorporated and unincorporated areas of the county and subject to these fees will receive an exemption from health permit and other Environmental Health fees as authorized by the Business and Professions Code, Sections 16000 et seq.
4	Non-profit organizations with proof of non-profit status will receive an exemption from these Environmental Health Fees.
5	Non-profit organized camps are exempted from the fees in this program.
6	In addition to the County approved fee, an additional State surcharge is applicable and is subject to change after this publication.
7	A fee reduction equivalent to 1/2 hour of the BOS authorized hourly rate shall be applied when CUPA facilities are subject to two or more programs.
8	This fee will be charged at 1.5 times the hourly rate when work is performed during overtime conditions.
9	The Director of Environmental Health is authorized to waive fees for applicants who are seeking to reconstruct legally constructed homes and other structures, including associated grading, that were destroyed as a result of a natural or manmade disaster, where the Board of Supervisors adopts a resolution declaring such a disaster.
10	The CUPA may authorize a CalARP facility risk management plan audit in compliance with CCR, Title 19, Division 2, Chapter 4.5, Section 2775.2 and CUPA Policy P-04 to be conducted by the County's consultant. The fee is charged to the CalARP facility and passed through to the consultant.
11	Environmental Health may authorize a consultant to review and oversee site remediation/clean up projects. Review and oversight consists of but not limited to review site work and safety plans, oversee customer field work to verify compliance with site health and safety plans, review phase I and phase II site investigation reports, and provide verbal and written reports to Environmental Health regarding site closure and /or required mitigation. Actual cost of consultant is charged to the customer and passed through to the consultant.
12	In the case of a new business required to pay an annual fee pursuant to resolution of the Board of Supervisors, annual fees shall be prorated on a quarterly basis for the remaining part of the year, however no fee shall be prorated to an amount less than five dollars.
