San Luis Obispo Public Health Laboratory Notice on Specimen Referrals

If you are accustomed to have your specimens tested by the San Luis Obispo Public Health Laboratory, you should be aware that the corporate directives have been issued to Central Coast Pathology Consultants (by owner Sonic HealthCare) and Central Coast Clinical Laboratory (by owner Pathology, Inc) to no longer refer specimens to the San Luis Obispo Public Health Laboratory.

Typically this directive will affect patient specimens –especially blood—that is collected at drawing stations that are offices of this commercial laboratories.

If you wish to have testing performed by the San Luis Obispo Public Health Laboratory, or by the State Department of Public Health Laboratory, patients with orders can be directed to the following locations for specimen collection
