

Dear County Planning Dept.,

Please disallow the Laetitia housing project there is just so many issues that it creates. Please don't follow in Paso's footsteps and deplete our water.

- Lack of infrastructure (Police, Fire, roads, public works)
- Increased traffic
- Increased size of vineyard on top of housing project
- Over draft of water supplies (there is over 40 approved undeveloped parcels on the books already)
- Biological and environmental damage to Los Berros Creek
- Sewage treatment plant in our beautiful hills
- Sneaking in through the backdoor is Laetitia plan for a dude ranch
