**Re: Excelaron LLC – Conditional Use Permit Application
File No. DRC2009-00002**

Dear John,

As part of the Notice of EIR Preparation (“NOP”) for the Excelaron Conditional Use Permit Application (DRC2009-00002), the Huasna Valley Association (“HVA”) has submitted comments and requests to the County for review. After reviewing the comments, and in an effort to clarify and address the misrepresentations of our projects facts, Excelaron has prepared the following response. We offer this information to assist the County, and more specifically, the EIR consultant, to provide an accurate description of the proposed project.

Respectfully,
OASIS ASSOCIATES, INC.
