Re: Comments on Draft Environmental Impact Report for the Excelaron/Mankins
Conditional Use Permit (SCH No. 2009021025/DRC2009-00002/ ED09-039)

Dear Mr. McKenzie,

Thank you for the opportunity to comment on the draft Environmental Impact Report (DEIR) for the above referenced project.

The following comments from Dr. David Lord were prepared for the Huasna Valley Association. We submit them on behalf of the many South County residents who have expressed concern and submitted testimony during the past three years to the SLO County Planning Department regarding the proposed project and its potential significant impacts on the resources of the area.

Sincerely,

Ron Skinner, Coordinator
Huasna Valley Association
