INTRODUCTION

Due to the Continuum of Care Advisory Board's recent proposal to reallocate Continuum of Care funding, the County of San Luis Obispo is re-opening the CoC competition to submit an application for the reallocated Tier 2 funds. In addition, the County is re-opening the competition to accept new projects to invite organizations to apply for Permanent Housing Bonus Funding.

The 2016 Continuum of Care Program Competition administered by the U.S. Department of Housing and Urban Development (HUD). Additional information on the HUD CoC Program can be found here: <https://www.hudexchange.info/coc>

HUD encourages prioritizing projects that address the goals of Ending Chronic Homelessness, Youth Homelessness, Veteran Homelessness, and utilize a Housing First approach. Eligible CoC program components include permanent housing, transitional housing, supportive services with Coordinated Entry, and Homeless Management Information System ("HMIS"). Eligible activities under each of the components vary, but overall include: acquisition, rehabilitation, new construction, leasing, rental assistance, operating costs, supportive services, and HMIS.

LOCAL APPLICATIONS

Applicants for new projects are required to submit a Local Application by the deadline. The lead agency may request additional application materials and/or information at a later date. It is anticipated that any additional materials and information will be requested when HUD publishes the FY2016 CoC e-snaps Project Application; at that time, the lead agency may request that the project applicant complete 'Exhibit 2' in e-snaps.

If an applicant has a previously selected renewal project and wishes to amend the project for consideration for Tier 2 reallocation, they may do so at this time. The submittal should include a cover letter that briefly states the changes that are being suggested in addition to the updated renewal application form, including revised budget and number of beds created/number persons to be served.

NEW PROJECTS

Two types of funding are currently available for competition and are enumerated as follows:

A. Reallocated Funds

A total of \$56,188 is available to be reallocated. The following types of projects are eligible to receive reallocated funds:

1. New permanent supportive housing projects where all beds will be dedicated for use by chronically homeless individuals and families.
2. New rapid rehousing projects that will serve homeless individuals and families coming directly from the streets or emergency shelters, and include persons fleeing domestic violence situations.
3. New Supportive Services Only project specifically for a centralized or coordinated assessment system.

B. Permanent Housing Bonus Funds

A total of \$59,616 is available for this purpose. This is in addition to the \$56,188 available for reallocation. The following types of projects are eligible for permanent housing bonus funding:

1. New permanent supportive housing projects that will serve 100 percent chronically homeless individuals and families.
2. New rapid rehousing projects that will serve homeless individuals and families coming directly from the streets or emergency shelters, and include persons fleeing domestic violence situations.

Any group or organization wishing to apply for grant funding must submit an application for a project meeting the criteria established by HUD for the CoC program.

MATCH REQUIREMENT

The subrecipient must match all grant funds, except for leasing funds, with no less than twenty-five percent (25%) of funds or in-kind contributions from other sources in accordance with 24 CFR § 578.73. Subrecipients will not be required to meet this match per category, but rather as an aggregate sum.

LOCAL APPLICATION SUBMISSION

Local Applications for new projects must be received by 12:00PM on WEDNESDAY, AUGUST 24, 2016, regardless of the manner submitted. NO LATE OR INCOMPLETE APPLICATIONS WILL BE CONSIDERED.
