Subject: Oil Trains

Dear Ms. Hostetter ...

I write to you today as a very concerned resident on Padaro Lane in Carpinteria. Having read numerous articles on the disastrous impact of a derailment, crash and subsequent calamitous fire, this is just not acceptable. Phillips 66 is proposing to transport up to 5 trains per week past our homes on Padaro Lane, traveling between San Luis Obispo and Southern California. Should even one train derail or crash, I understand that the blast would reach a mile in each direction. We are all just feet from the train tracks. THIS MUST NOT HAPPEN!

Sincerely,
Laurie Gilmore Maguire
