San Luis Obispo County Planning and Building Department
976 Osos Street
San Luis Obispo, CA 93408

I am a West Berkeley artist living in a live-work residence in West Berkeley for 25 years. I respectfully request that the San Luis Obispo Planning Commission deny the project based on the scientific findings in the Final Environmental Impact Report, especially the serious accident record of transport by rail of these materials indicating the transport would place communities along the rail route in harms way.

Sincerely,
Patricia Dreher
