Subject: Oil trains

Dear Supervisors:  
The people of SLO county have spoken loudly-we do not want oil trains through our county.  
May I remind you, your job is to represent the people of SLO county.

I have grave concerns that your representation will not be there for me- a property owner, post train derailment, or whatever havoc might be caused by this irresponsible decision.

I urge you to pony up and represent your constituents- the residents responsibly.

Do not approve ANY oil trains through the county.

Susan Ross
