Subject: Please Help Stop Proposed Oil Train Project

Dear Supervisor Lynn Compton,

We wish to express our concerns about the proposed oil train project, as described in the attached letter to you. In speaking with many other residents of South San Luis Obispo County, and through reading various print and web publications, we know that our concerns are held by many, many others, and wanted to add our personal input as well.

We would greatly appreciate your reading of our attached letter to you, followed by your thoughtful consideration of our concerns, and the concerns of the many other people affected, and would look forward to hearing from you on this matter.

Sincerely,
Violet & Ron Hovden
Nipomo, CA
San Luis Obispo County
