*Commissioner Don Campbell, District 5
San Luis Obispo County Planning Dept
976 Osos Street, Room 200
San Luis Obispo, CA 93408*

Dear Commissioner Campbell,

My name is Joyce Adams and I am a 30 year resident of San Luis Obispo County. I have lived the last 24 years in Nipomo, approximately 4 miles from the Phillips 66 Refinery.

San Luis Obispo County has always been ahead of its time in promoting our area to be socially and environmentally responsible and to promote the health and well being of its citizens. Approval of the Phillips 66 project would jeopardize public safety, air quality and open us up to other environmental risk factors.

Please do not allow Phillips 66 attorneys to bully us for a project that is not right for our area. I, along with thousands of others, ask that the project be denied. Please do what is right for our county and out lying areas affected by this project.

Respectfully,

*Joyce Adams
