Attachment K3-1 is very large. It consists of a single pdf file, and 19 excel spreadsheets.

The single pdf file is attached.

Ms. Hostetter,

Please see the attached comment on the Final EIR for the above referenced project.

The comment is also supported by Greg Karras' February 2015 Expert Report on the Phillips 66 Propane Recovery Project Final Recirculated EIR, also attached, and the several emails following this one including that reports' attachments K3-1 through K3-5.

Please let me know if you have any questions or any problems opening any of the attachments.

Sincerely,

Roger Lin
