Please note that this attachment—Attachment K2-2. Krogh et al., 2015. Crude Injustice on the Rails: Race and the Disparate Risk from Oil Trains in California; CBE and ForestEthics; June 2015—is a very large file. It will be included in the package I plan to deliver Thursday, and in the meantime, can be downloaded from this URL:

Dear Ms. Hostetter,

Please find my expert report for CBE on the project, FEIR and Staff Report attached.

Please note that the attachments thereto (K2-1 through K2-26) will follow by separate emails, and I plan to bring an electronic copy of this package, including all attachments, to the continued hearing this Thursday 25 Feb. Thank you for your assistance with transmittal of this comment.

Greg Karras, Senior Scientist  
Communities for a Better Environment (CBE)
