Please note that this attachment—Attachment K2-2. Krogh et al., 2015. Crude Injustice on the Rails: Race and the Disparate Risk from Oil Trains in California; CBE and ForestEthics; June 2015—is a very large file. It will be included in the package I plan to deliver Thursday, and in the meantime, can be downloaded from this URL:

Dear Ms. Hostetter,

Please find my expert report for CBE on the project, FEIR and Staff Report attached.

Please note that the attachments thereto (K2-1 through K2-26) will follow by separate emails, and I plan to bring an electronic copy of this package, including all attachments, to the continued hearing this Thursday 25 Feb. Thank you for your assistance with transmittal of this comment.
