This completes the transmittal of attachments—assuming that you could download Att K2-2 from the URL provided. Again, I plan to bring a copy of the complete package on Thurs 25 Feb. Meanwhile, please let me know if you have any question about this comment. Thanks again. GK

Note that there is no part K2-22-J. Parts b through y minus J include all of the assays listed in the summary table in part a.

Dear Ms. Hostetter,

Please find my expert report for CBE on the project, FEIR and Staff Report attached.

Please note that the attachments thereto (K2-1 through K2-26) will follow by separate emails, and I plan to bring an electronic copy of this package, including all attachments, to the continued hearing this Thursday 25 Feb. Thank you for your assistance with transmittal of this comment.
