Contact Information (Phone Number, Email, etc.)	tabi42015@aol.com
Question or Comment	Hello, My wife and I were very upset about the Phillips 66 oil train/refining project in our area. As much as our community loves the area, living, we must do everything we can to protect our coastline and the communities along it. We strongly urge you to decline the project. Please let us know when we can speak with you. We would like to assure this does not affect our community. Thank you, James Matthews Benney
